Respectfully submitted,

HAROLD W. JOY,
Auditor.

REPORT OF SUPERINTENDING SCHOOL COMMITTEE.

October saw the completion of our fifth new school building built in recent years. The Arlington School at North Windham is called by good judges very nearly perfect for the need it is supposed to fill.

Through the excellent coöperation of all members of the building committee, the work progressed steadily under the direct supervision of True B. Coffin of Westbrook as foreman. The committee feel greatly indebted to Clarence W. Proctor, one of their co-workers, who gave practically all his time without expense to the town. His suggestions and ideas added much to the completeness of the building. Labor and materials were secured locally wherever possible.

Among the features of special note are: two large well-lighted basement playrooms; modern water, toilet and sewage systems; vapor steam heat with forced ventilation in three classrooms; fourth room provided with stage (sliding doors unite two rooms), providing seating space for 250, and very complete lighting system. Truly a building to be proud of, and all built and equipped within the \$15,000 appropriation.

Our school buildings in the main are in good condition. Some painting should be done each year. Newhall School was given one coat this year. All schools now enjoy electric light service, a great help on dark or stormy days. The original shingles upon the old part of the high school must be renewed this year.

We especially urge the finishing of the extra room in high school for the use of our cramped science department. By proper economy this can be from our usual repair account fund if this is kept at a normal amount.

School Calendar for Elementary Schools

	Weeks
Spring term, 1932, opened Mar. 28, closed June 17,	11
Fall term, 1932, opened Sept. 12, closed Dec. 16,	14
Winter term, 1933, opened Jan. 2, closes Mar. 24,	11
Spring term, 1933, opens Mar. 27, closes June 16,	11
Total, 36 weeks.	

Vacations of one week each in the middle of the winter and spring term.

Arlington School opened October 3, 1932. One week at Christmas and one week at close of winter term instead of February.

High school, same as elementary school, except school year is 38 weeks. Only has one week, Christmas vacation, and closes June 23 instead of June 17.

REPORT OF THE SUPERINTENDENT OF SCHOOLS.

*To the Superintending School Committee and to the Citizens
of the Town of Windham,*

GREETING:

I have the honor to submit my seventh report as superintendent of schools for the Town of Windham.

Conditions are very much the same as last year. A decreased cut in appropriations resulted in a percentage cut in salaries. Because of this, we lost two of our best teachers to other towns.

More pupils are registered this year in rural schools due to the unemployment situation in neighboring cities. Because of this increase in enrollment, we have had to do more conveying this year and change pupils around in order not to overcrowd some of our schools.

At North Windham we completed a new four-room building in October this year and it is now in use with three rooms with an enrollment varying from 95 to 100 pupils.

TEACHERS

Changes were as follows: Principal Bolster of the John A. Andrew School resigned to go to Massachusetts. Replaced with Philip Libby of Newfield. Mr. Libby has had experience in teaching and has attended Gorham Normal School and Bates College summer school.

Hill School. Miss Perkins resigned to teach in Standish. She was replaced by Miss Bernice Lord of Newhall, a graduate of Gorham Normal School, who has been teaching in Gray.

Center School. Mrs. Libby resigned to be married. She was replaced by Miss Eudora Rogers of Windham, who was transferred from the Anderson School.

Anderson School. Miss Rogers was transferred to the Center School and this position was filled by Miss Lillian Libby of Windham. Miss Libby is a graduate of Gorham Normal School and has had teaching experience in Limington.

No other changes in teachers were made.

CONVEYANCE

The State law requires that we convey to school all elementary pupils, a whole or a part of the way, if they live at such distance from school as to make it unreasonable for them to walk. It has been necessary to arrange conveyance, by means of the high school bus, from Clifford Atherton's to North Windham by way of the River Road. Mr. Glantz's route has been extended to start from Baker's Corner, if necessary. The Newhall, John A. Andrew and Knight School routes have been continued. The Knight School route was extended to the Friends School in order to take care of the crowded conditions at the Knight School. It has also been necessary to add the distance to Mrs. Smith's tea room to this route. We are also paying for conveyance to two private individuals and paying tuition to Falmouth and Westbrook for six other pupils who would have to be conveyed to school if this was not done. The high school conveyance has been continued on a little different basis than last year.

JANITOR SERVICE

This has increased this year, due to the larger school building, with more equipment at North Windham. We were able to get the cleaning, which is charged to this account, at lower prices than has been paid in the past.

FUEL

This item has been increased this last year due to the larger school at North Windham and to the change from wood to coal. However, where coal is burned, we have a good many benefits and it is well worth the extra cost.

SUPPLIES AND TEXTBOOKS

Under supplies, we pay for water rent, electricity, power, pencils, chalk, paper, ink, etc. The supply cost was reduced from last year's amounts by about \$500.00. The textbook costs were reduced about \$700.00. We have been well provided for, this year, but the small amount for books will not take care of our needs over a period of years.

HIGH SCHOOL

The enrollment has increased this year over last year even though we have lost many of our tuition pupils. We have an enrollment at the high school of approximately 120. No change has been made at this school, in regards to teachers or courses. We are short one teacher for the size of our school, considering we teach two vocational subjects and it is hoped we can have another teacher soon.

The usual special reports from the high school have been omitted in order to reduce the size of this report. All activities have been continued.

WINDHAM SCHOOL STATISTICS, 1933

School	Teacher	Salary per Year	Attendance		Tardiness	
			1931	1932	1931	1932
High	H. L. Bradford	\$2,000.00	104.6	106.1	84	86

Figures in above table taken at end of fall term each year.

TABLE OF GENERAL STATISTICS

Raised by town for support of common schools. For the last few years the amount for all accounts of the high and common schools have been raised in one amount, hence in this case I have used the total raised divided into accounts as the school committee have divided the same.

INCLUDES RECEIPTS, OTHER THAN TOWN APPROPRIATION

Common Schools	1923	1929	1930	1931	1932
Teachers,	\$10,800.	\$12,000.	\$12,000.	\$12,000.	\$12,000.
Fuel,	1,500.	1,500.	1,500.	1,500.	900.
Conveyance,	1,100.	1,100.	2,000.	2,000.	2,300.
Janitors,	1,700.	1,700.	1,700.	1,700.	1,500.
Books and supplies,	1,900.	1,800.	1,900.	1,900.	700.
Totals,	\$17,000.	\$19,000.	\$19,100.	\$19,100.	\$17,400.
Nearest dollar cost per pupil,	\$35.	\$37.	\$31.	\$40.	* \$44.
High School	1928	1929	1930	1931	1932
Teachers,	\$2,300.	\$2,700.	\$4,950.	\$4,950.	\$4,500.
Conveyance,	1,250.	1,800.	1,500.	1,500.	1,000.
Fuel,	400.	350.	265.	265.	400.
Janitor,	500.	600.	650.	600.	700.
Vocational†,	1,900.	1,900.	2,000.	1,800.	1,600.
Books and supplies,	650.	650.	535.	535.	400.
Totals,	\$7,000.	\$8,000.	\$7,900.	\$7,850.	\$7,000.
Cost per pupil to nearest dollar,	\$80.	\$88.	\$69.	\$69.	\$57.

* Small rural schools increase Pupil costs.

† Vocational not added.

REPAIRS

This year, most of the work done was minor in nature. This minor work amounts to four or five hundred dollars each year. The Newhall School was painted, plaster was repaired at the Hill School, wiring and electricity installed at the Ireland and Knight Schools. A new fence was built at the high school.

Next year, it will be necessary to shingle the high school. We should finish the science room and provide for a lunch room. Our school enrollment is large and it is now necessary to do something about the noon period, when practically the whole school has to stay. Grading should be completed at the high school, and grading should be done at the John A. Andrew, Newhall and Arlington Schools. The painting program should be continued.

INSURANCE

The school committee are planning to adjust the insurance. Many of the policies come due this year and they are planning to divide the amounts up, so about one-third will be due each year and also adjust the amount in keeping with the new basis of building costs.

NEW ARLINGTON SCHOOL

This building was erected at a total expense of under \$15,000.00. It is a modern four-room building, complete in every way for school use. If you have not visited the building, we invite you. The lot was purchased with the proceeds of the money obtained from selling the old building to the North Windham Community Club.

Table showing comparison between costs in a small rural school and a large three-room school:

Anderson School: Enrollment 7, cost per year, \$670.00.
Cost per pupil per year, \$95.00.

Arlington School: Enrollment 93, costs per year, \$2,782.00. Cost per pupil per year, \$40.00.

This table shows that one way to save school costs is not to

run schools that have small enrollments, but to provide better educational advantages at lower costs by closing small rural schools.

It will be poor policy to lower salaries beyond the amounts commonly paid in neighboring towns. We will fail to maintain our standards and lower our efficiency. We have worked hard over a period of years to improve our schools and to build nice modern buildings for the benefit of our children. Any lowering of standards will do great harm to our children. It can never be made up.

HEALTH WORK

The health work in our schools is of great importance. This work is largely done by the nurses of the Cumberland County Public Health Association. These nurses this last year, visited our schools, spent five days in the examining of the children, 12 days making home visits for corrections, and 7 days on corrective work. This makes a total of 24 days' work for two nurses.

337 children were examined. 245 had defects. 112 were corrected. The actual cost to the association was \$217.00 for the work done. The actual cost to the town was the \$100.00 appropriated for this work.

MOTION PICTURE MACHINE.

This year we were presented with \$150.00 from the state equalization fund to expend for work in Visual education. With this money we purchased a motion picture machine and have shown pictures each week in many of the schools of the town. The pictures are educational, along some line of school work. It has proved very enjoyable and valuable. Funds for this work have been obtained from private sources.

MUSIC.

The report of the music supervisor is a part of this report and this tells in detail the work that we are doing in this field. We consider music work to be of great value. Long after our children have forgotten many of the facts learned in

school, they will find that the music has been retained by the mind and be a great help to them in after life. Very few subjects have the "carry over" into adult life that music has.

SCHOOL COSTS AND BUDGET.

A reduction was made in high school salaries this year amounting to 10.5%. In the elementary school the reduction amounted to 12.2%. Part of this was due to hiring new teachers at a lower wage.

Reductions amounted to \$3,102.88, divided as follows:

High school teachers,	\$ 825 00	
Common school teachers,	1,642 00	
Common school janitors,	173 88	
Common school conveyance,	162 00	
High school conveyance,	300 00	
	<hr/>	\$3,102 88

Costs at present time:

HIGH SCHOOL.

Teachers,	\$4,375 00	
Janitor,	600 00	
Conveyance,	975 00	
Supplies,	500 00	
Books,	300 00	
Fuel,	500 00	
Cleaning,	100 00	
	<hr/>	\$7,350 00
Total,		
Enrollment, 122.		
Cost per pupil, \$60.25.		

COMMON SCHOOLS.

Teachers,	\$11,628 00	
Conveyance,	2,412 00	
Janitors,	1,548 00	
Fuel,	1,000 00	
Cleaning,	125 00	
Tuition,	300 00	
Supplies,	800 00	
Books,	300 00	
	<hr/>	\$18,113 00
Total,		

Enrollment, about 400 pupils.

Cost per pupil, \$45.29.

Receipts, estimated to be, as follows:

State aid, 20% reduction from last	
year,	\$3,600 00
Tuition,	75 00
Interest,	146 40
	<hr/>
	\$3,821 40
Total costs, high school and common	
schools,	\$25,463 00
Total receipts,	3,821 40
	<hr/>

Necessary appropriation, \$21,641 60

In view of existing conditions, the school committee recommended another cut of 10%, making the appropriation \$19,000.00. The budget committee have recommended another figure. Their cut will be approximately 25%.

The unexpended amount in the town report, as a credit to the schools, will be used to pay the pay rolls, from January 28, 1933 to the Saturday after town meeting, and is practically all spent at that time, hence it has not been figured as an asset in above figures.

Our costs have increased this year, because of:

1. Increase in enrollment.
2. Increase in necessary conveyance.
3. Increase in cost of fuel and janitor.
4. Tuition to other towns in place of conveyance.

We have lost as credits:

1. About 20% decrease in state funds.
2. Loss of tuition pupils at Windham High School.
3. Loss in Vocational aid of about 10%.
4. A large reduction in unexpended balances.

In my opinion, a cut of 25% will seriously decrease the efficiency of our school system.

Part of this could be reduced by closing of rural schools, and the rest would have to be obtained by a cut in salaries.

The other charges are practically fixed and can't be changed a great deal. It costs a great deal of money to run a school system with 500 pupils in 11 different buildings.

APPRECIATION.

In closing, I wish to thank all those who have helped in any way to maintain our standards and keep up our school efficiency this year.

Respectfully submitted,

FREDERICK H. AIKINS,
Superintendent of Schools.

REPORT OF THE SUPERVISOR OF MUSIC.

To the Superintendent of Schools:

Our work is progressing well this year. The teachers are helping me in every way to enable each child to read music for himself. We have many rote songs in the earlier grades containing the same problems that the child reads later at sight. We try to teach all new problems in this manner. We endeavor to read a whole phrase of music rather than to read it note by note. It is much more interesting to discover like phrases and the child can read much faster. We are doing two-part music in all the schools in the upper grades.

We are fortunate in having good text books and nearly every teacher has purchased supplementary books which gives us more material for special occasions. We correlate our music, too, with our history and geography.

We have an excellent Junior High Orchestra of twenty-seven members this year, and in addition to our violins, saxophones and trumpets, we have three new clarinets.

I wish to say a word of appreciation for the support the parents have given me in building up the Junior High Orchestra. They have certainly sacrificed much to make it possible. I think we who heard the children play at the May Festival can perhaps realize what it meant to them. The happiness on their faces was quite enough to repay me for all

the work I had done. There is a joy in giving expression to your emotions in music that one can find in no other way.

Were it not for the Junior High our High School Orchestra would be very small. Every year we graduate our players and new members from the Junior High fill the vacant seats. Our High School Orchestra and Girls' Glee Club are well organized this year and doing good work. We have presented a broadcast from Portland with the orchestra.

All the boys and girls at Windham High have an opportunity to sing in a chorus of the combined classes every other week.

In closing I wish to thank you all for your kindness and consideration during the school year.

Respectfully submitted,

DAWN CONANT GRANT,
Supervisor of Music.

VITAL STATISTICS RECORD OF BIRTHS.

Clerk of Windham, Maine.

REPORT OF BUDGET COMMITTEE

To the Citizens of Windham:

The Budget Committee has carefully examined the articles in the warrant and recommended appropriations amounting to \$56,974.40 and submit the following figures:

Appropriations,	\$56,974 40
Estimated State and County tax,	20,000 00
<hr/>	
Total budget,	\$76,974 40
Estimated poll taxes,	\$1,500 00
Estimated excise tax,	\$2,500 00

Overlay allowed by law, \$2,926.00.

Tax rate, \$34.50 on \$1,000.00, based on estimated valuation of \$2,200,000.00.

In view of the financial condition of the town, your careful and whole-hearted coöperation in appropriation and expenditure of the town's money is needed.

Let us remember that every dollar raised above the recommended budget will increase the tax rate.

J. R. PRATT,
Chairman, Budget Committee.

J. O. LEGROW,
Secretary.

WARRANT

STATE OF MAINE

CUMBERLAND, SS.

To Chas. W. Jones, Constable, Town of Windham, in said County,

GREETINGS:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of said Town of Windham, qualified by law to vote in town affairs, to assemble at the High School Hall in said town on Monday, the sixth (6th) day of March, A. D. 1933, at ten (10) o'clock in the forenoon to act on the following articles, to wit:

Article 1. To choose a Moderator to preside at said meeting.

Art. 2. To see if the town will vote to elect one or more Road Commissioners and determine a salary for same. Recommended by Budget Committee to pay twenty-two cents (\$0.22) per hour.

Art. 3. To see if the town will vote to instruct the Selectmen to appoint one or more Road Commissioners and determine salary for same.

Art. 4. To choose all necessary town officers, polls to open at ten (10) A. M. and close at one (1) P. M.

Art. 5. To see if the town will vote to accept the report of the town officers. *Yes*

Art. 6. To see if the town will vote to authorize the Selectmen and Treasurer to procure a temporary loan or loans in anticipation of taxes for the purpose of paying indebtedness of the town, such notes to be paid during the current municipal year out of money raised during said current municipal year taxes. *Yes*

Art. 7. To see if the town will vote to authorize the Selectmen and Treasurer to renew all outstanding notes and temporary loans, as it may become necessary during the ensuing year.

Art. 8. To see what sum of money the town will vote to grant and raise for the repair and upkeep of roads. Recommended by the Budget Committee to raise four thousand dollars (\$4,000.00).

Art. 9. To see what sum of money the town will vote to grant and raise to pay snow bills. Recommended by the Budget Committee to raise two thousand dollars (\$2,000.00).

Art. 10. To see what sum of money the town will vote to grant and raise for repairs of bridges and culverts. Recommended by Budget Committee to raise one thousand dollars (\$1,000.00).

Art. 11. To see what sum of money the town will vote to grant and raise for State and State aid road maintenance. Recommended by Budget Committee to raise one thousand two hundred dollars (\$1,200.00).

Art. 12. To see if the town will vote to grant and raise the sum of one hundred forty-six dollars and forty cents (\$146.40) to pay interest on local school funds. Recommended by Budget Committee.

Art. 13. To see what sum of money the town will vote to grant and raise for contingent expenses. Recommended by Budget Committee to raise two thousand dollars (\$2,000.00).

Art. 14. To see what sum of money the town will vote to grant and raise for collector's commissions and abatements. Recommended by Budget Committee to raise one thousand two hundred dollars (\$1,200.00).

Art. 15. To see what sum of money the town will vote to grant and raise for the support of poor. Recommended by Budget Committee to raise eight thousand dollars (\$8,000.00).

Art. 16. To see what sum of money the town will vote to

grant and raise for street lights. Recommended by Budget Committee to raise one thousand two hundred dollars (\$1,200.00).

Art. 17. To see what sum of money the town will vote to grant and raise to pay town officers. Recommended by Budget Committee to raise one thousand eight hundred dollars (\$1,800.00).

Art. 18. To see what sum of money the town will vote to grant and raise to pay Portland Water District for rental of hydrants. Recommended by Budget Committee to dismiss article and charge same to fire department.

Art. 19. To see what sum of money the town will vote to grant and raise for insurance on school buildings. Recommended by Budget Committee to raise one thousand dollars (\$1,000.00).

Art. 20. To see what sum of money the town will vote to grant and raise for cutting and burning bushes on all State roads. Recommended by Budget Committee to raise four hundred dollars (\$400.00).

Art. 21. To see what sum of money the town will vote to grant and raise for care of cemeteries. Recommended by Budget Committee to raise two hundred dollars (\$200.00).

Art. 22. To see what sum of money the town will vote to grant and raise for health work in schools. Recommended by Budget Committee to raise one hundred fifty dollars (\$150.00).

Art. 23. To see what wages the town will vote to pay men, teams and trucks for labor on roads. Recommended by Budget Committee to pay men twenty cents (\$0.20) per hour, teams forty cents (\$0.40) per hour, one and one-half ($1\frac{1}{2}$) yard trucks eighty cents (\$0.80) per hour under shovel and sixty-five cents (\$0.65) per hour on town work.

Art. 24. To see what sum of money the town will vote to grant and raise for support of common and high schools (fuel, janitors, cleaning, supplies, textbooks, high school and

common school conveyance and teachers.) Recommended by Budget Committee to raise the sum of sixteen thousand dollars (\$16,000.00).

Art. 25. To see what sum of money the town will vote to grant and raise for school repairs. Recommended by Budget Committee to raise one thousand five hundred dollars (\$1,500.00).

Art. 26. To see what sum of money the town will vote to grant and raise for vocational work in high school. Recommended by Budget Committee to raise one thousand dollars (\$1,000.00).

Art. 27. To see what wages the town will vote to pay tractor operators and wing men for plowing snow. Recommended by Budget Committee to pay operators forty-four cents (\$0.44) per hour and wing men thirty cents (\$0.30) per hour.

Art. 28. To see what sum of money the town will vote to grant and raise to pay fire chief. Recommended by Budget Committee to pay seventy-five dollars (\$75.00). \$ 75

Art. 29. To see if the town will vote to accept the sum of one hundred dollars (\$100.00) from Mrs. Hattie Willey for permanent care of her lot in Purington yard.

Art. 30. To see what sum of money the town will vote to grant and raise for support of fire department. Recommended by Budget Committee to raise one thousand five hundred dollars (\$1,500.00).

Art. 31. To see what sum of money the town will vote to grant and raise for constructing water reservoirs for fire protection purposes. Recommended by Budget Committee to raise two hundred dollars (\$200.00).

Art. 32. To see if the town will vote to accept Androscoggin Street as laid out by Selectmen. Recommended by Budget Committee.

Art. 33. To see if the town will vote to authorize the

Selectmen and Treasurer to sell the Frielen Pride lots at Westbrook and execute deed for same, providing a satisfactory price can be obtained. Recommended by Budget Committee. *U*

Art. 34. To see if the town will vote to grant and raise the sum of four thousand one hundred eighty-five dollars (\$4,185.00) to pay the town's share of the cost of a new bridge located on the River Road known as Inkhorn Bridge. Recommended by Budget Committee to authorize loan for same. *Dismissed*

Art. 35. To see what wages the town will vote to pay town officers. Recommended by Budget Committee to pay Selectmen two dollars (\$2.00) per day, Treasurer ninety dollars (\$90.00) per year, School Board forty dollars (\$40.00) per year, Town Clerk thirty-five dollars (\$35.00) per year, Collector three quarters of one percent ($\frac{3}{4}$ of 1%).

Art. 36. To see what sum of money the town will vote to grant and raise for eradicating white pine blister rust. Not recommended by Budget Committee. Three hundred dollars (\$300.00). Requested by State. *Dismissed*

Art. 37. To see if the town will vote to grant and raise the sum of two thousand five hundred dollars (\$2,500.00), more or less, for tarring River Road from Westbrook line to Mallison Falls Road. (By petition.) Not recommended by Budget Committee. *U*

Art. 38. To see if the town will vote to accept the road leading from the Roosevelt Trail at the junction of property of Reginald Lowell to the bridge over the outlet of Petten-gill Pond, a distance of one thousand eight hundred (1,800) feet, and grant and raise money for repair of same. (By petition.) *U*

Art. 39. To see if the town will vote to grant and raise the sum of two hundred fifty dollars (\$250.00) for the improvement of the Sumner Varney Road, so-called. (By petition.) Not recommended by Budget Committee. *U*

Art. 40. To see if the town will vote to grant and raise the sum of eight hundred dollars (\$800.00) to pay for pipe line from reservoir to North Windham Village. Not recommended by Budget Committee.

Art. 41. To see if the town will vote to grant and raise the sum of eight hundred dollars (\$800.00) to install a three hundred fifty (350) gallon pump on fire truck at North Windham, provided the cost of installation is contributed by other parties. Not recommended by Budget Committee. *Discontinued*

Art. 42. To see if the town will authorize the Selectmen to purchase a wood lot and raise money for same. *Discontinued*

Art. 43. To see if the town will vote to authorize the Selectmen to move the Hanson barn, so-called, to the Town Farm and grant and raise the sum of three hundred dollars (\$300.00) for supplies for same. Recommended by Budget Committee.

Art. 44. To see if the town will vote to grant and raise the sum of three hundred dollars (\$300.00) to pick brown-tailed months' nests. Recommended by Budget Committee. *800*

Art. 45. To see if the town will vote to grant and raise the sum of nine hundred seventy-nine dollars (\$979.00) for maintenance of Third Class Road in accordance with the provisions of Sections 44 and 46 of Chapter 28 of the Revised Statutes of 1930 as amended by Chapter 151, Public Laws of 1931. Recommended by Budget Committee. *\$979*

Art. 46. To see if the town will vote to recommend to take two thousand five hundred dollars (\$2,500.00) from the joint State Aid account for the purpose of applying bituminous surface treatment to State Aid Road No. 2, beginning at Westbrook town line on River Road and extending to Mallison Road, so-called, in accordance with the provisions of Chapter 271, Public Laws of 1931. Not recommended by Budget Committee. *3*

Art. 47. To see what sum of money, if any, the town will vote to grant and raise in accordance with the provisions of

Sections 26 to 32, inclusive, of Chapter 28 of the Revised Statutes for the construction of a State Aid highway extending through the towns of Windham, Raymond and Casco, beginning at Westbrook and Windham town line on the River Road, so-called, and extending in a northerly direction over the River Road to Collins Hill, thence over route No. 18 to Raymond and Windham town line, thence over route No. 18 to Raymond village, thence over Meadow Road to Raymond and Casco town line, thence over Meadow Road through Pike's Corner and Casco village to Otisfield and Casco town line. Recommended by Budget Committee to raise eight hundred twenty-four dollars (\$824.00).

Art. 48. To see if the town will vote to authorize the Assessors to rescind any amounts appropriated by the town for State Aid highway construction in excess of the amounts required to meet State apportionments.

Art. 49. To see if the town will vote to recommend to the School Committee to employ residents of the town exclusively as teachers in the elementary schools. Recommended by Budget Committee.

Art. 50. To see if the town will vote to authorize the Selectmen and Treasurer in behalf of the inhabitants of the town of Windham to execute and deliver to Mildred Nelson, upon payment of the amount due the town for taxes, costs and interest, a quitclaim deed without covenant of a lot of land bounded on the north by land of E. J. Kimball heirs, east by land of H. G. Hawkes, south by rangeway, west by land of Carroll Wescott, homestead—117 acres, which was assessed to Annie Copp in the year 1929 and sold for taxes by the Collector of the town of Windham for unpaid taxes of said year on the first Monday of February, 1930, to the inhabitants of the town of Windham, and was conveyed by tax deed to the inhabitants of said town, dated February 3, 1930, and recorded in Cumberland County Registry of Deeds, in Book 1343, Page 431.

Art. 51. To see if the town will vote and grant to raise

the sum of fifty dollars (\$50.00), more or less, for the support of South Windham Library. Not recommended by Budget Committee. *5/10/07*

Art. 52. To see what sum of money the town will vote to grant and raise to pay on town debt and interest on loans. Recommended by Budget Committee to raise ten thousand dollars (\$10,000.00). *7/10/07*

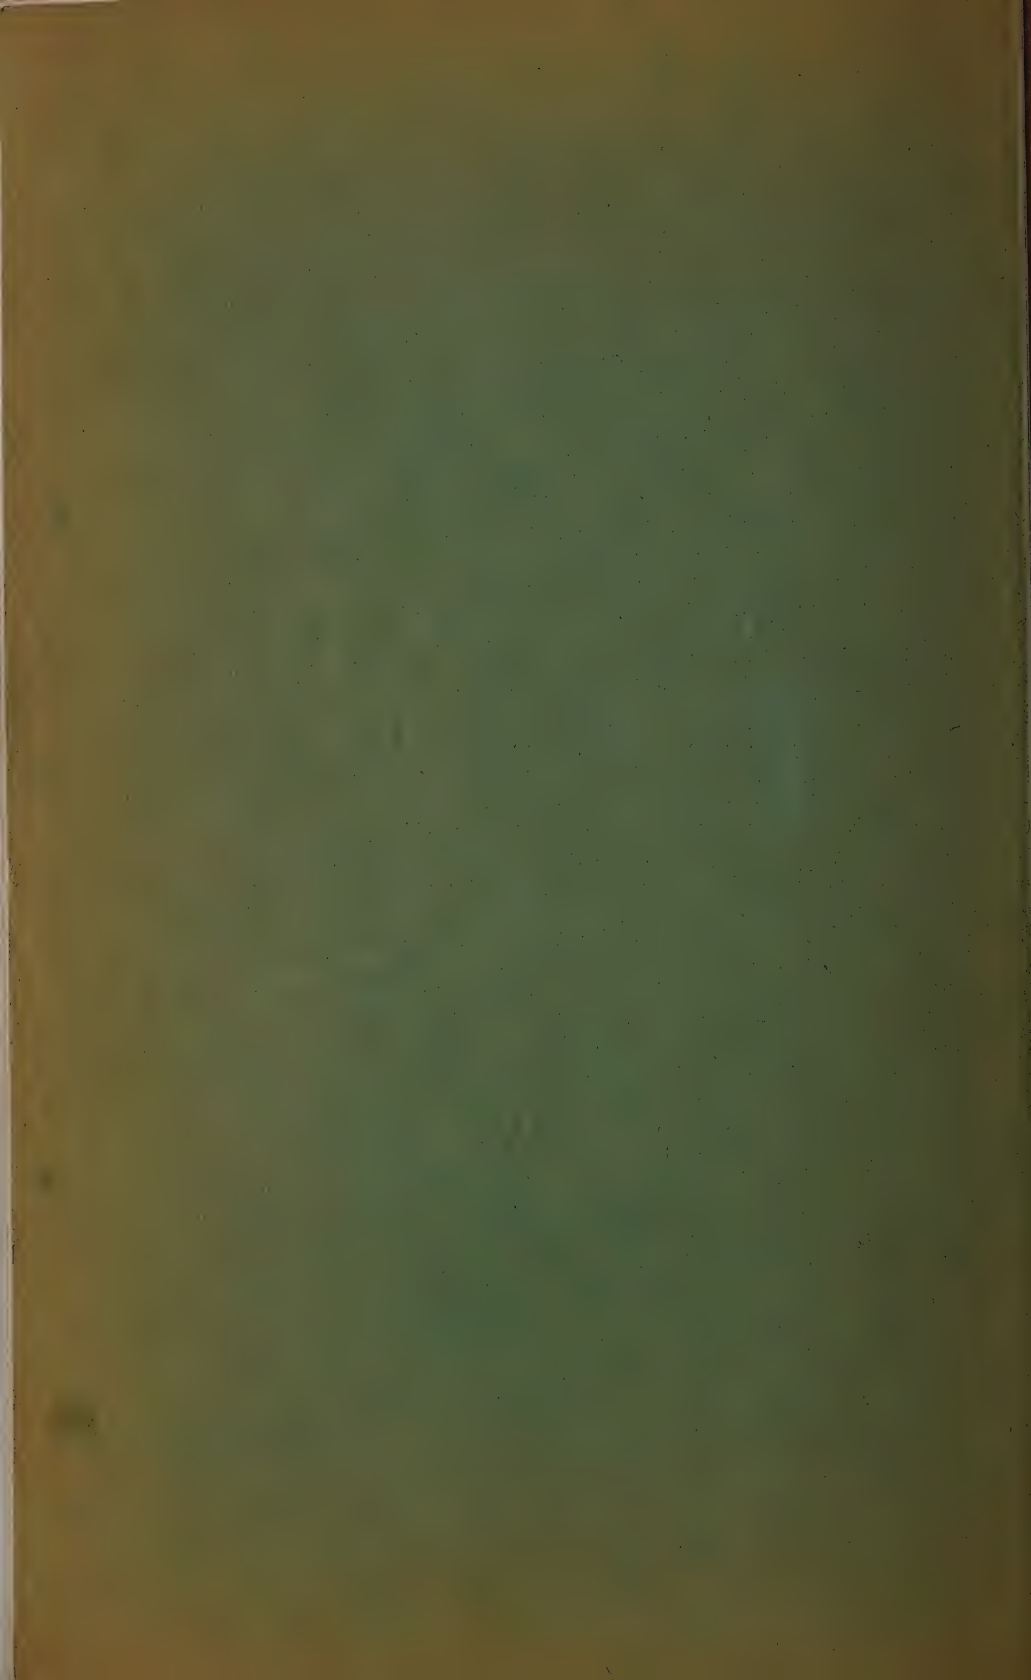

Art. 53. To see what discount, if any, the town will vote to allow on taxes paid not later than August 15th of the current municipal year. *7/10/07*

Art. 54. To see if the town will vote to elect twelve members of the Budget Committee, four for one year, four for two years, and four for three years.

Art. 55. To transact any other business which may legally come before said meeting.

The Selectmen give notice that they will be in session at their office on Saturday, March 4th, from nine (9) o'clock A. M. until four (4) o'clock P. M. for the purpose of revising and correcting the list of voters.

Respectfully submitted,

HAROLD W. JOY,

Auditor,

REPORT OF SUPERINTENDING SCHOOL COMMITTEE.

To the Citizens of Windham:

The Superintending School Committee submit the following report:

At the close of this fiscal year we are pleased to report, that our school buildings are in better condition and are better equipped to meet the present needs of our educational requirements, than ever before.

During this year we have fenced the school yard and have done some grading at the Arlington.

We have improved the sanitary conditions in the boys' toilet in the Newhall schoolhouse by water-proofing the concrete floor. At the opening of this school in the fall we found that there was not a sufficient amount of water coming through the pipes to supply the needs of the school, so it became necessary to close this school for nearly three weeks. This water comes from the E. I. Dupont Company's tank, and although they were not under any contract to furnish this school with water, your committee decided to take the matter up with their agent, Mr. Findlay of Portland, with the result that within a week they had a crew of men replacing the old pipe running from their tank to the dwelling houses on the flat, which was nearly filled with rust, with a new one. This gave an increased flow of water sufficient to meet the needs of this school. We wish on behalf of the town to take this opportunity to thank Mr. Findlay for his broad and public spirited attitude in this matter.

We have painted the outside walls, and have shingled the roof of the old part of the High School Building. Your committee bought the paint, shingles, paper, flashings, etc., for this work, and the labor was performed by contract. Now the exterior of this building is well protected from the weather.

It has been our plan to give the outside of every school-building one coat of paint every third year. By so doing we have been able to keep them looking fresh, clean and attractive.

All schoolhouses have been cleaned, and desks and seats have been varnished.

About Nov. 22nd the attention of your School Board was called to the fact that the Federal Government was to lay out projects for the purpose of providing employment, and that our school department would be entitled to the services of twenty men, thirty hours each per week until Feb. 15th. Your committee immediately inspected all school buildings and grounds in town, and decided to paint the interior of such buildings as needed it.

We also decided to enlarge the Ireland schoolhouse by raising the building two feet, and extending it ten feet on the south end. A concrete foundation was built here, and the grounds are to be graded. The amount of money required to make these changes necessitated your committee to submit plans to the School Department at Augusta for their approval. This was granted and we now have a standard sized school room 23 ft. by 30 ft., lighted on one side and one end, with sufficient cloak rooms and book closets to meet the requirements of the pupils.

We have installed water in the Friends schoolhouse by piping from the Town Farm reservoir at a very small cost to the town for pipe and pump.

Water has been installed in the Windham Hill Schoolhouse through the thoughtfulness and generosity of Mr.

George B. Morrell who offered us water from his system. The cost to the town in this case was very little as only a few rods of pipe and a hand pump were needed.

We have graded in front of the Gymnasium and are building a road from the High School Building to the Gray road. We have installed heat and are finishing the two unfinished rooms in the new part of the High School Building. Through the efforts of your committee we were able to secure \$785 from the Federal Government to pay for the material used in these rooms, and also for a part of that used in the Ireland schoolhouse, so that only the services of the heating engineer will be paid for by the town.

In each of these Federal C. W. A. projects it has been the policy of your School Board to select those projects which would give the maximum amount of labor, and at the same time the minimum amount of material which has to be paid for by the town.

Owing to the unfavorable weather conditions this winter for outside work, together with the fact that the hours of labor under the C. W. A. during the last four weeks were reduced from thirty to fifteen hours per week, we have been unable to complete some of these projects which we had contemplated. Nevertheless we are expecting an extension of time, and also more money from the Federal Government, so that your committee may be able to complete more of these projects.

Respectfully submitted,

FRED L. HASKELL,
STELLA M. CURRIER,
CLARENCE W. PROCTOR,
Superintending School Committee.

REPORT OF SUPERINTENDENT OF SCHOOLS

*To the Superintending School Committee and to the Citizens
of the Town of Windham,*

GREETING:

I have the honor to submit my eighth annual report as Superintendent of Schools for Windham. With few exceptions, school conditions remain as usual. Some changes were made in the teaching staff, salaries were reduced very much and one school was closed. We have had 15 formal School Committee meetings and a number of informal conferences since last year's report. Conveyance still remains a problem and some of our rural schools are over-crowded.

TEACHERS

Changes made as follows:

J. A. Andrews School: No change.

Newhall: Miss Annie V. Proctor in place of Miss Williams who resigned. Miss Proctor is a graduate of Bates College and Gorham Normal School and is doing her first year of teaching.

Arlington: No change.

Friends: D. William Plummer in place of Miss Lynburner who has a year's leave of absence without pay to attend Normal School. Mr. Plummer is a graduate of Gorham Normal School and is doing his first year of teaching.

Hill: No change.

Center: No change.

Kennard: No change.

Ireland: No change.

Knight: Miss Mary Peabody in place of Miss Allen who has a year's leave of absence to attend Normal School. Miss Peabody is a graduate of Boston University and Gorham Normal School and is doing her first year of teaching.

High School: No change.

Music: No change in teaching but only one day per week.

Anderson: School was closed due to requirements of the State School Law.

CONVEYANCE

Mr. Riley's conveyance from the Bodge School neighborhood was re-routed to get the Anderson School pupils, and a new conveyance obtained from H. P. Jorgensen's Corner to the John A. Andrew School. No change was made in the routes or drivers of other conveyances. We still pay tuition for a few pupils who live near schools of other towns and so far from our schools that they would have to be conveyed. High School conveyance is on the same plan of last year.

JANITOR SERVICE

No changes were made in the personnel, but salaries were reduced and cleaning done on a contract or time basis.

FUEL

Our fuel costs remain nearly constant. We shall have a small increase due to the unusual cold weather.

SUPPLIES AND TEXT BOOKS

The amount available for supplies and books has been less than usual, yet demands are as great or greater than usual. Our increased enrollment at the High School, Arlington and some rural schools has to be taken care of, and hence this account remains nearly constant with last year.

HIGH SCHOOL

The enrollment continues to increase. We have plenty of room but need another teacher. Our High School work is very seriously handicapped and we cannot do the work commonly done in schools of this size without another teacher. There is some demand for a commercial course, but we have had no funds provided for the same.

REPAIRS

Careful expenditure of the repair money during the summer gave us a balance in November of approximately \$900.00. We found it necessary to shingle one side of the Town House and the Selectmen shingled the other side. Also, we had to top out the chimney at the Center School. The High School was shingled and the old building painted on the outside. A fence was erected at the Arlington School. Other repair work was minor in nature. In November we were informed that school repairs would be included in the C. W. A. projects of the Town, and we made out a list of improvements and repairs for the same. This included the raising and

remodeling of the Ireland School, the finishing of the unfinished rooms at the High School, and many minor changes in all of the schools, besides the interior painting of all of the schools. The building of school roads, grading and putting running water into the Hill and Friend Schools were also included. At the Hill School the water has to be pumped as the reservoir is not high enough to get the water running by gravity. These repairs were things that we had always planned to do when money was available. The government furnishes all of the labor and a small part of the cost of the materials. If this work continues through the winter, we shall have our school buildings in excellent condition and very little money will be needed for some time for repairs.

INSURANCE

School insurance on all buildings was reduced this year, and an effort made to get about 1/3 of the cost come due each year.

HEALTH WORK

This has been continued as in previous years by the Cumberland County Public Health Association. 337 pupils were examined:

- 70 pupils were 10% underweight.
- 6 pupils were 20% overweight.
- 28 pupils had defective vision.
- 2 pupils had defective hearing.
- 163 pupils had defective teeth.
- 52 pupils had enlarged tonsils.
- 3 pupils had Pediculosis.
- 245 pupils with defects.
- 92 pupils without defects.
- 245 notices were sent to parents.

36 Health talks made to pupils.
112 corrections made.

This work is very much worth while. It should be extended. School inspection cost the Association:

2 Nurses 5 days with car,	\$ 65 00
1 Nurse home visits 12 days,	96 00
1 Nurse corrective work 7 days,	56 00
	<hr/>
	\$ 217 00

MOTION PICTURE WORK

This has been continued and two or three reels of pictures shown in the various schools nearly every week. The cost is borne by the pupils, or schools, or P. T. A. No Town funds are used for the cost of reels or pictures. The pictures are educational and have a definite purpose and place. They are very much worth while.

Some children learn from reading, others by being questioned and from conversation, but many pupils cannot learn without actually seeing, hence the value of the moving picture.

MUSIC

I am sorry to report that this work has been decreased. We still keep our music teacher, Mrs. Grant, but she only comes once a week instead of the two days per week of previous years.

I enclose at this time the report of the Music Supervisor of Windham.

REPORT OF THE SUPERVISOR OF MUSIC.

We are endeavoring to carry out a fine program as outlined in the best manuals prepared for teaching music. We have a definite amount of Rote Singing for the Prim-

ary Grades which may be used as sight reading for the higher grades in the one room building. We have Observation Songs where the child sees the like phrases and the Reading Songs which follow containing the same phrases that he may read them easily at sight. The higher grades are all using the two part music. We try to correlate our music with our history and geography as much as possible. Each month we plan to teach some physical activity and to study the life of a great composer. The teachers have been most helpful and cooperative and I wish to thank them for their fine spirit.

In the short time allotted to each school this year it is rather difficult to hold our orchestra rehearsals regularly as we always have in years past. It takes time to get the instruments in tune and to conduct the rehearsal thoughtfully and to listen for errors that are bound to creep in.

I think that you who have children in the orchestra all realize how much it means to the child to participate in this activity. Not only is the training to the eye invaluable but no amount of training in physics or theory can ever train the ear to make fine tonal distinction while a performer on an instrument develops a keen power of tone discrimination. Best of all is the fine team spirit and good fellowship which exists when you become a part of an organization of this kind. I certainly appreciate very much the efforts that many of you have made to give your children this opportunity. We are about to present a broadcast by Windham High at Portland and hope to have the Junior High ready for a broadcast for early summer as we did last year.

We are very fortunate this year in having a fine teacher of flute and of the brasses and wood winds who comes directly to our schools. It will be possible now for the children and high school students to have instruction in nearly any instruments they wish to take.

Windham High took part in the fine chorus singing at the State Teachers' Convention at Lewiston last October. We are also planning to present Windham High orchestra and Glee Club at the Western Maine Music Festival this spring. We shall plan to have our usual May Festival this year and hope that all the parents may be present.

In closing may I quote Ernest Carroll Moore of Harvard University. "One's knowledge grows in proportion to one's doing.

It is experience which makes the days of men proceed according to art, and inexperience according to chance, and different persons in different ways are proficient in different arts."

Glenn Woods, Director of Music in Oakland, California, says, "The study of music has a place in education; it has a place in the life of the child; it has a place in the life of the man. Its "experience" must be gained in childhood that it may "proceed according to art" in manhood. The technique of an instrument must be learned in youth by doing, and that "doing" must become a habit by daily practice until in manhood it develops "skill." "Skill in doing" is the chief concern of education, as one's knowledge is measured not by his "appreciation of" but by his ability to do founded upon actual experience."

In closing I wish to thank you all for your kindness and consideration during the past year.

Respectfully submitted,

DAWN CONANT GRANT,
Supervisor of Music.

WINDHAM SCHOOL STATISTICS, 1934.

School	Teacher	Salary Per Year	Attendance		Tardiness

APPROXIMATE SCHOOL COSTS—ITEMIZED.

(Nearest Dollar)

Common Schools	1931	1932	1933
Teachers,	\$11,991.00	\$12,555.00	\$ 9,662.00
Conveyance,	2,452.00	2,513.00	2,359.00
Fuel,	837.00	1,009.00	701.00
Janitor and Cleaning,	1,860.00	1,703.00	1,513.00
Supplies,	1,141.00	797.00	800.00
Books,	868.00	267.00	239.00
Total,	\$19,149.00	\$18,844.00	\$15,274.00
High School			
Teachers (Incl. Vocational),	\$ 8,236.00	\$ 7,582.00	\$ 6,046.00
Conveyance,	1,175.00	1,150.00	944.00
Fuel,	220.00	542.00	443.00
Janitor and Cleaning,	666.00	698.00	599.00
Supplies,	524.00	549.00	228.00
Books,	340.00	231.00	215.00
Total,	\$11,161.00	\$10,752.00	\$ 8,475.00

The above figures probably vary somewhat as the exact dates of the closing of the Town's books varies from year to year.

BUDGET FOR 1934 - 1935.

A careful study of school figures since 1931 show:

1. An increase in school enrollment.
2. An increase in number of children to convey.
3. Decreases in school costs considerably lower than costs of living and actual expenses.

It appears that unless the Town should so vote, to instruct the School Committee to close outside one room rural schools and convey the pupils to nearby consolidated schools, that your Superintendent and School Committee do not know how to make any further reduction in school costs except as follows:

1. Discontinue all conveyance allowance and costs at High School.
2. Discontinue music instruction all together.
3. Close one room rural Schools.

Salaries have been reduced beyond minimum standards for unskilled labor in many cases. A reduction in the length of the school year or the closing of schools entirely is now the solution unless salaries are maintained as they are or increased as the costs of living have increased.

WATCH THE ENROLLMENT SINCE 1931.

	1931	1932	1933
Total,	500	514	542
Increase,	—	14	42
% Increase,	—	2.8	8.4

Costs of schools are very near constant except in salaries.

Fuel, supplies and books remain practically the same. Salaries today are not paid on standards maintained by the N. R. A. codes or on the basis of skilled labor. Our teachers are skilled workmen and are entitled to skilled

pay. Many of them have spent years in school and college to obtain their training. Besides losing the amount of money that they might have been earning during this time, they have expended in cash several thousand dollars for training. College education at this time costs from \$700 to \$1,000, per year and Normal School education costs half this amount or more according to whether pupils live at home or board or pay tuition or not.

It has been very hard to keep conveyance figures down as we have had a great deal of extra conveyance on our hands. The mileage has increased a great deal since 1931. Many people with children have moved to Windham into houses far from any school. Since 1931 the High School has been increased in size, increasing fuel and janitor load.

The following budget figures are recommended as below:

School Committee		
1. Support of Schools,	\$18,000 00	
2. Vocational Education,	1,000 00	
3. Repairs,	1,500 00	
4. Health Work in Schools,	100 00	
5. Special Appropriation, land at Ireland School,	50 00	
Itemized	Common Schools	High School
Teachers,	\$7,668 00	\$3,150 00
Conveyance,	2,376 00	805 00
Janitors,	1,260 00	500 00
Fuel,	1,000 00	510 00
Supplies,	1,000 00	650 00
Books,	600 00	250 00
Cleaning,	151 00	50 00
Tuition,	200 00

APPRECIATION.

In closing, I wish to thank all those who have helped in any way to maintain our standards and keep up our school efficiency this year.

I respectfully remind you that many savings in the operation of the schools can be accomplished by a program of consolidation and that better schools would result from such a program.

Respectfully submitted,

FREDERICK H. AIKINS,
Superintendent of Schools.

VITAL STATISTICS

Respectfully submitted,

C. T. SEAVEY,
Clerk of Windham, Maine.

WARRANT

State of Maine

Cumberland, ss.

To Harold W. Joy, Constable, Town of Windham, in said
County, Greetings:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of said town of Windham, qualified by law to vote in town affairs, to assemble at the High School Hall in said town on Monday, Fifth (5) day of March A.D., 1934 at ten (10) o'clock in the forenoon to act on the following articles, to wit:

Article 1. To choose a moderator to preside at said meeting.

Art. 2. To see if the town will vote to elect one or more Road Commissioners and determine a salary for same. Recommended by the Budget Committee to pay 30c per hr.

Art. 3. To see if the town will vote to instruct the Selectmen to appoint one or more Road Commissioners and determine salary for same.

Art. 4. To choose all necessary town officers, polls to open at ten (10) A.M. and close at one (1) P.M.

Art. 5. To see if the town will vote to accept the report of the town officers.

Art. 6. To see if the town will vote to authorize the Selectmen and Treasurer to procure a temporary loan or loans in anticipation of taxes for the purpose of paying

indebtedness of the town, such notes to be paid during the current municipal year out of money raised during said current municipal year taxes.

Art. 7. To see if the town will vote to authorize the Selectmen and Treasurer to renew all outstanding notes and temporary loans as it may become necessary during the ensuing year.

Art. 8. To see what sum of money the town will vote to grant and raise for the repair and upkeep of roads. Recommended by the Budget Committee to raise \$3,000.

Art. 9. To see what sum of money the town will vote to grant and raise to pay snow bills. Recommended by the Budget Committee to raise \$3,000.

Art. 10. To see what sum of money the town will vote to grant and raise for repair of Bridges and Culverts. Recommended by the Budget Committee to raise \$1,000.

Art. 11. To see what sum of money the town will vote to grant for State and State aid road maintenance. Recommended by the Budget Committee to raise \$1,200.

Art. 12. To see if the town will vote to grant and raise the sum of one hundred forty-six dollars and forty cents (\$146.40) to pay interest on local school funds. Recommended by Budget Committee.

Art. 13. To see what sum of money the town will vote to grant and raise for Contingent Expenses. Recommended by the Budget Committee to raise \$2,000.

Art. 14. To see what sum of money the town will vote to grant and raise for Collectors Commissions and Abate-ments. Recommended by the Budget Committee to raise \$1,200.

Art. 15. To see what sum of money the town will vote to grant and raise for Support of Poor. Recommended by the Budget Committee to raise \$8,000.

Art. 16. To see what sum of money the town will vote to grant and raise for street lights. Recommended by the Budget Committee to raise \$1,200.

Art. 17. To see what sum of money the town will vote to grant and raise to pay town officers. Recommended by the Budget Committee \$1,800.

Art. 18. To see what sum of money the town will vote to grant and raise for insurance on school buildings. Recommended by the Budget Committee to raise \$1,000.

Art. 19. To see what sum of money the town will vote to grant and raise for cutting bushes on all State roads. Recommended by the Budget Committee to raise \$300.

Art. 20. To see what sum of money the town will vote to grant and raise for care of Cemeteries. Recommended by the Budget Committee to raise \$200.

Art. 21. To see what sum of money the town will vote to grant and raise for health work in Schools. Recommended by the Budget Committee to raise \$150.

Art. 22. To see what wages the town will vote to pay men, teams and trucks for labor on roads. Recommended by Budget Committee to pay men 25c per hr., team and driver 50c and over one-half yard trucks 70c per hr. Recommended by the Budget Committee.

Art. 23. To see what sum of money the town will vote to grant and raise for support of common and high schools (fuel, janitors, cleaning, supplies, textbooks, high school and common school conveyance and teachers). Recommended by Budget Committee to raise the sum \$18,000.

Art. 24. To see what sum of money the town will vote to grant and raise for school repairs. Recommended by Budget Committee to raise \$1,000.

Art. 25. To see what sum of money the town will vote to grant and raise for vocational work in high school. Recommended by Budget Committee to raise \$1,000.

Art. 26. To see what wages the town will vote to pay Tractor operators and wing men for plowing snow. Recommended by Budget Committee to pay operators and wing men 40c per hr.

Art. 27. To see what sum of money the town will vote to grant and raise for support of fire department. Recommended by Budget Committee to raise \$1,600.

Art. 28. To see what sum of money the town will vote to grant and raise to pay fire chief. Recommended by Budget Committee to pay \$100.

Art. 29. To see what wages the town will vote to pay town officers. Recommended by Budget Committee to pay Selectmen \$250., Treasurer \$90.00, School Board same as last year \$40.00, Town Clerk \$35.00 per year, Collector 3/4 of 1%.

Art. 30. To see what sum, if any, the town would recommend to take from the joint state aid account for the purpose of applying bituminous surface treatment to state aid roads built within the past five years in accordance with the provisions of Chapter 271, P. L. 1931. Not recommended by Budget Committee.

Art. 31. To see if the town will vote and grant the sum of fifty dollars (\$50.00) for So. Windham Library, \$50.00 for No. Windham Library. Recommended by Budget Committee.

Art. 32. To see if the town will vote to grant and raise the sum of seven hundred and eighty-three dollars (\$783.00) for the maintenance of 3d class road in accordance with provisions of Section 4 and Section 5 of Chapter 175, Public Laws of 1933. Recommended by Budget Committee.

Art. 33. To see what sum of money, if any, the town will vote to grant and raise in accordance with provisions of Section 19, Chapter 28, Revised Statutes of 1930, or under the provisions of Section 3, Chapter 175, Public Laws of 1933, for the improvement of the River road as outlined in the report of the State Highway Commission. Recommended by the Budget Committee \$2,124.

Art. 34. To see what sum of money the town will grant to raise to pay on debt and interest on loans. Recommended by Budget Committee \$10,000.

Art. 35. To see what discount, if any, the town will vote to allow on taxes paid on or before Aug. 15 of the Current Municipal year. 2% recommended by Budget Committee.

Art. 36. To see what sum of money the town will vote to grant and raise for constructing water reservoir for fire protection purposes. \$200. recommended by Budget Committee.

Art. 37. To see if the town will vote to elect four members of the Budget Committee for three (3) years.

Art. 38. To see if the town will vote to grant and raise the sum of fifty (\$50) dollars more or less, for the purchasing of land for enlarging the school lot at the Ireland School. Recommended by Budget Committee.

Art. 39. To see if the town will vote to accept the sum of Fifty dollars (\$50.) from Lewis Weeks for permanent care of his family lot in Chase Cemetery so called.

Art. 40. To see if the town will vote to authorize the Selectmen and Treasurer in behalf of the inhabitants of the town of Windham to execute and deliver to Moses W. Lucas, upon payment of the amount due the town for taxes, costs and interest, a quit claim deed without covenant of a lot of land bounded on the north by land of J. E. Milliken, east by land of Annie B. Bacon, south by land of W. T. Lorenzen, west by land of A. P. Whalen. 18 acres, which was assessed to Moses W. Lucas in the year 1929 and sold for taxes by the Collector of the town of Windham for unpaid taxes of said year on the first Monday of February, 1930, to the inhabitants of the town of Windham.

Art. 41. To see if the town will vote to authorize the Selectmen and Treasurer, in behalf of the inhabitants of the town of Windham, to execute and deliver to Wm. T. Smart upon payment of the amount due the town for taxes, costs and interest, a quit claim deed without covenant of a lot of land and cottage on Little Duck Pond $\frac{3}{4}$ acres Four (4) lots and $\frac{4}{50}$ common and undivided which was assessed to Frank B. Shepherd in the year 1929 and sold for taxes by the Collector of the town of Windham for unpaid taxes of said year on the first Monday of February, 1930, to the inhabitants of the Town of Windham.

Art. 42. To see if the town will vote to authorize the Selectmen and Treasurer in behalf of the inhabitants of the town of Windham to execute and deliver to Maurice O. Lawson upon payment of the amount due the town for taxes, costs and interest, a quit claim deed without covenant of a lot of land on west shore Highland Lake $\frac{1}{4}$ acre which was assessed to Maurice O. Lawson in the year 1929 and sold for taxes by the Collector of the town of Windham for unpaid taxes of said year on the first Monday of February, 1930, to the inhabitants of the Town of Windham.

Art. 43. To see if the town will vote to grant and raise the sum of eleven hundred dollars (\$1,100.00) for the purchase of two light truck snow plows.

Art. 44. To see if the town will vote to grant and raise the sum of Two hundred dollars (\$200.00) for snow fence. Recommended by the Budget Committee.

Art. 45. To see if the town will vote to grant and raise the sum of Eight hundred and fifty dollars (\$850.00) to purchase two road graders.

Art. 46. To see if the town will vote to instruct the Selectmen and Treasurer to reimburse Daniel W. Crans Est., for taxes paid on one cottage lot located at Mineral Spring Park for the years 1922 to 1933 inclusive which was assessed by error.

Art. 47. To see what sum of money the town will vote to grant and raise to pay for material to be used on Fire Stations in connection with the C. W. A. Works.

Art. 48. To see if the town will vote to grant and raise money necessary to install one street light on Androscoggin Street.

The Selectmen give notice that they will be in session at their office on Saturday, March 3d, from nine (9) o'clock A.M. until four (4) o'clock P. M., for the purpose of revising and correcting the list of voters.

JASPER E. MAYBERRY,
CHAS. N. ANTHOINE,
GEORGE W. FREIDAY,
Selectmen of Windham.

A sufficient number of these reports have been printed to furnish every interested citizen with a copy. An effort has been made to get them into the hands of the voters in advance. It should be borne in mind that if copies are left at home there may not be a sufficient number at the hall to go around on town meeting day. This year or any year it is desirable for you to have a copy of the annual report as soon as issued. It is also important for you to preserve it and bring it with you town meeting day morning.

Your Selectmen are pleased to report to the town the most satisfactory settlement of outstanding tax claims probably ever made in the town's history. An examination of your Treasurer's report will readily show the tremendous improvement in the financial standing of the town.

All State and County taxes and temporary loan notes of the town have been paid in full. The heavy collections that have been made will make possible the retirement of bonds to the extent of thirty thousand dollars. An appropriation of five thousand dollars for town debt and interest charges will provide for payment of the note outstanding on the gymnasium in addition to interest charges. Ten thousand dollars was appropriated last year. With these payments completed the total outstanding indebtedness of the town at the close of the coming year should be confined to twenty thousand dollars in bonds. Your selectmen strongly believe that the town should relieve itself of indebtedness as rapidly as possible and especially while funds are in hand. Any other disposition of these funds which have come to the town only after tremendous and long continued effort and considerable legal expense would seem particularly unfortunate at this time. In view of pending tax legislation in the state legislature future income from power developments on Presumpscot river are uncertain. For this reason discharging debt in the future may prove a heavier burden on residents of the town than at present.

The town was obliged to bring suit to enforce collection of the tax of S. D. Warren Co. and The Presumpscot Water Power Co. Although some legal expense was incurred, we believe it fully justified in view of the results obtained. The question of valuation on properties of these two companies which was brought to the attention of the town at the last annual meeting is still unsettled. Your assessors followed the recommendations of your special tax committee in fixing these valuations in the last assessment.

Appeals to the court on the assessments of both 1933 and 1934 will probably be taken by the companies involved.

In order that the town's interests may be fully protected some expense must be contracted and we would recommend increasing the Contingent somewhat to provide for these unusual charges.

C. W. A. and E. R. A. projects have occasioned considerable expense for material cost etc. The saving occasioned in the poor department however far exceeds these costs and in addition much useful and permanent work has been accomplished.

Two splendid fire stations have been completed which will continue to serve the needs of the town for years to come.

A section of State Aid road was built on the river road. The library at So. Windham has been nearly finished.

Considerable other work has been accomplished including water reservoirs and a tractor house at the town farm.

Respectfully submitted,

JASPER E. MAYBERRY,
CHAS. N. ANTHOINE,
GEORGE W. FREIDAY,

Selectmen of Windham.

TREASURER'S REPORT

AUDITOR'S REPORT

February 18, 1935

I hereby certify that I have examined the accounts of Selectmen, Treasurer and Collector of the Town of Windham, Maine, for the year ending February 9, 1935, and to the best of my knowledge and belief they are true and correct.

I also certify that the temporary loan notes as listed below have been paid and the same destroyed in the presence of the Selectmen and Treasurer.

Due Date	Amount
Oct. 1, 1934,	\$10,000 00
Dec. 1, 1934,	5,000 00
Dec. 11, 1934,	5,000 00
Dec. 15, 1934,	5,000 00

Respectfully submitted,

JOHN O. LEGROW,
Auditor.

REPORT OF THE SUPERINTENDING SCHOOL COMMITTEE

To the Citizens of Windham:

The Superintending School Committee submit the following report:

We have earnestly endeavored to keep within the appropriation this year and have made only necessary repairs.

The C. W. A. project that was started last year at the Ireland school required quite a sum to finish, owing to the fact that the concrete wall had to be rebuilt and the grounds graded. The school lot here should be fenced. This school as finished, now meets modern requirements.

The grounds at the Arlington School have been graded and the driveway finished. Grass seed should be sown this spring and then this school will be complete and a credit to the community.

No repair work was done at the Friends School during the past year and this building is in great need of interior wall painting, whitening of ceilings and the varnishing of woodwork. If any of our rural schools should become consolidated both rooms in this school would be used. Running water is now available in the basement and modern toilets should be installed, together with a concrete basement floor.

Due to the increased enrollment at the Knight School, your committee feels that this building will have to be enlarged and remodeled to meet the standard requirements. Tentative plans include: a six-foot addition, removal of partition, plastering of interior walls, new sheathing and reshingling of the roof on one side. These plans would require the approval of the State Department, also a larger amount of money than allotted to the regular repair account. A special appropriation is asked for.

In the past, during rainy spells, water has seeped into the basement of the Newhall School to the depth of several inches but by installing a drain pipe and digging a ditch, sloping away from the building, this situation has been remedied. By installing a wider and deeper urinal in the boys' basement, a very unsanitary condition that formerly existed, was taken care of. The desks and seats in both rooms have been reset and placed on movable bases.

Various complaints have been received from time to time concerning the oil used on the floors of our schools. As a result it was decided to refinish a few of the floors each year. This year at the J. A. Andrew school the floors in all of the classrooms, coat rooms, and book closets were sanded and refinished. This greatly improved the appearance of the floors and made them much easier to keep clean. We have received many compliments upon the result of this experiment and wish to refinish the floors in the other schools in the same manner. The desks and seats at the Andrew school were reset and the outside basement and front doors painted.

The laboratory in the High School was made ready for use in the late fall. The floor was laid and finished and the woodwork, except window casings and cabinets, completed. The cabinets and another table as well as further laboratory equipment should be installed this

year thus bringing our Science Department up to a standard. The Auditorium floor is becoming rough and unsuitable for basketball playing. This should be sanded and refinished. Book-cases should be installed in the Library and the small room on the second floor should be finished off for a very much needed classroom. After the previous suggestions have been carried out, the addition to our old High School will be complete. As your committee has recommended in other reports a lunch room should be provided at the High School. The driveway from the school to the Gray Road has been completed except for the finishing of shoulders and ditches. A large ledge near the front entrance should be removed.

The walls and ceiling of the Center School need painting and whitening. The toilets at this school are in need of repair.

We feel that it is economy to paint the exterior of our school buildings every few years and we have endeavored to carry this plan out. This year the Auditorium at the High School, J. A. Andrew and Friends schools should be painted.

Minor repairs in the schools amount to a considerable sum during the year, approximately five hundred dollars. These repairs include such items as the following: repairs on stoves and furnaces, frozen pipes, broken plaster, broken water pumps, toilet systems and cesspools, and other unexpected occurrences which happen from time to time.

The school committee recommend the budget for 1935-1936 as given in the Superintendent's Report.

Respectfully submitted,

STELLA M. CURRIER,
CLARENCE W. PROCTOR,
FRED L. HASKELL,
Superintending School Committee.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Superintending School Committee and to the
Citizens of the Town of Windham, Greeting:

I have the honor to submit my ninth annual report as Superintendent of Schools for the Town of Windham. School conditions are about the same as for last year. We have some new teachers and enrollments in some of the schools are large.

TEACHERS

J. A. Andrew School: No change.

Newhall School: Miss Proctor was transferred to the High School and Miss Peabody was transferred from the night School for the Primary Room.

Arlington School: Mr. Lowell resigned and Mr. Plummer was transferred from the Friends School to the Arlington Grammar Room.

Friends: Miss Aurilla Hutchins was hired to take the place of Mr. Plummer who was transferred to the Arlington School.

Hill: No change.

Center: No change.

Kennard: Miss Foye resigned and Miss Lymburner was engaged to take her place. Miss Lymburner was absent last year on a leave of absence and finished her Normal School Course.

Ireland: No change.

Knight: Miss Allen, absent last year on a leave of absence, was engaged for this school and Miss Peabody transferred to the Newhall School.

High School: Miss Ross and Miss Robinson both resigned, one to teach at Kennebunkport High School and the other at Greeley Institute at higher salaries.

Miss Proctor was transferred from the Newhall School to take Miss Ross's place and Miss Sara L. McComb was engaged to take Miss Robinson's place.

Music: No change.

CONVEYANCE

Mr. Jorgensen was engaged to cover a High School Route in his part of the Town besides his regular trip to the John A. Andrew School. Mr. Dyer was engaged to get pupils living too far from the Ireland School. No other change was made.

We are not paying tuition to other towns in place of conveyance at the present time.

JANITOR SERVICE

This is being performed the same as last year.

FUEL

We have had to purchase larger amounts because of the extreme cold weather. We shall be pleased to have citizens offer prices for school wood.

SUPPLIES AND TEXTBOOKS

Often we are asked as to what are supplies. For answer will say that we purchased and paid for as supplies the following: Spray oil, toilet paper, chalk, meals for nurses, germicides, diplomas, toll calls, telephone, stamps, printing, sweeping compound, trucking, refills for fire extinguishers, magazines, motion picture lamps, paper of many kinds, paste, maps, report cards, envelopes, plan books, record books, assignment books, flags, hectographs, scissors, stencils, pens, penholders, pencil sharpeners, cutters, erasers, pencils, word and number builders, ink, globes, thumb tacks, clips, rubber bands, blackboard liners, brooms, brushes, shovels, soap, towels, cleansers, alcohol, oils, electricity and water rent. Our enrollments are large and we have had to purchase more this year.

HIGH SCHOOL

We had an enrollment of 140 this year when school opened in September. We need another teacher very much. We have changed the school curriculum somewhat, offering civics, problems in democracy and general mathematics this year. Next year we hope to offer courses in business training and simple bookkeeping. The laboratory was partly finished this year. We need another table and cabinets. The room across the hall needs to be finished for a small class room so we can have a lunch room in the basement. A new shop for the agricultural course is needed. The book cases for library books should be built. This year we purchased some new library books, a small amount of chemical equipment, and a set of reference books. Gas was installed in the laboratory.

REPAIRS

For details, you are referred to the report of the School Committee. We had a lot of work to clean up

the C. W. A. jobs left unfinished and did very little other work.

INSURANCE

The School Committee have school buildings insured for a total of about \$50,000.00 for three years in Mutual Companies.

HEALTH WORK

This has been continued as before. The County Association nurse spends several days in this town examining school children. It is hoped to have a dental clinic this year.

MOTION PICTURE WORK

This has been carried on same as previous years. The money for films is raised by outside funds.

MUSIC

Mrs. Grant comes only once a week visiting half of the schools each week. The time is not sufficient and it should be increased. We need a full time music teacher to work in the schools each day, and build up our music program which is very important. Mrs. Grant has done wonderful work but needs a lot more time. The work program is about the same as for last year.

RECOMMENDATIONS AND NEEDS

It is my belief that better schools at lower expense are needed. To secure same, we should gradually, as fast as possible plan on the consolidation of our public schools. We should have a six year high school at Windham Center and transport all seventh and eighth grade pupils to this school. We have conveyance routes over

most of the Town at present and this conveyance can easily be worked out. Schools having an average enrollment of less than eight are closed by State law and we have two rural schools near this point at present. Conveyance routes should be re-arranged so we can have two large school busses covering the town and carrying our pupils to graded schools. Unless they are to be discontinued, the rural schools at the Center and Knight should be remodeled and repaired to meet modern school standards.

The Maine school educational system was surveyed by a Commission last year and bills have been introduced in the Legislature according to the recommendations of this Commission. Every citizen should be familiar with these bills and study them. In my opinion, they should become a part of the educational law of the State and will help us have a better school system supported by better method of taxation than the real estate tax.

BUDGET FOR 1935-1936

The following budget figures are recommended by the School Committee:

1. Support of Schools,	\$ 18,000 00
2. Vocational Education,	1,000 00
3. Repairs,	2,000 00
4. Health Work in Schools,	150 00
5. Special Appropriation Knight School,	1,000 00

PROPOSED SCHOOL BUDGET TOWN OF WINDHAM 1935-1936 SCHOOL YEAR

36 WEEKS ALL SCHOOLS

Schools	High	Common
Teachers	\$ 3,780 00	\$ 7,920 00
Conveyance	912 00	2,556 00

J. A. Andrew School,	281 23
Windham Hill School,	41 42
Ireland School,	493 73
Arlington School,	85 55
Newhall School,	249 43
Kennard School,	9 19
Knight School,	6 30
Friends School,	67 45
Miscellaneous,	265 62
Total,	<hr/> \$ 2,167 25

CELEBRATION OF THE 200TH ANNIVERSARY OF THE TOWN

According to Dole's History of the Town, the date of November, 1734, was the beginning of the Town of Windham.

This next summer, Mr. Frederick H. Dole, of Medford, Mass., a former resident of the Town, has offered to prepare a pictorial history of the Town, and articles have been inserted in the warrant to help raise money for the expense of the same.

Such a history would be invaluable to the schools for the study of local history.

HEALTH WORK

This has been continued as in previous years by the Cumberland County Public Health Association. 372 pupils were examined:

41 pupils were 10% underweight.

- 10 pupils were 20% overweight.
- 26 pupils had defective vision.
- 3 pupils had defective hearing.
- 228 pupils had defective teeth.
- 43 pupils had enlarged tonsils.
- 15 pupils had Pediculosis.
- 268 pupils with defects.
- 91 pupils without defects.
- 268 notices were sent to parents.
- 30 Health Talks made to pupils.
- 91 Corrections made.

This work is very much worth while. It should be extended.

Total,	\$10,752.00	\$ 8,475.00	\$

The above figures vary somewhat as the exact dates of the closing of the Town's books varies from year to year.

APPRECIATION

In closing, I wish to thank all those who have helped in any way to maintain our standards and keep up our school efficiency this year.

I respectfully remind you that many savings in the operation of the schools can be accomplished by a program of consolidation and that better schools would result from such a program.

Respectfully submitted,

FREDERICK H. AIKINS,
Superintendent of Schools.

C. T. SEAVEY,
Town Clerk of Windham.

TOWN WARRANT

State of Maine

Cumberland, ss.

To E. Dean Pray, Constable, Town of Windham, in said
County, Greetings:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of said town of Windham, qualified by law to vote in town affairs, to assemble at the High School Hall in said Town on Monday, the fourth (4th) day of March, A.D., 1935, at ten (10) o'clock in the forenoon to act on the following articles, to wit:

Article 1. To choose a moderator to preside at said meeting.

Art. 2. To see if the town will vote to elect one or more Road Commissioners and determine a salary for same. Recommended by the Budget Committee to pay 35 cents per hour.

Art. 3. To see if the town will vote to instruct the Selectmen to appoint one or more Road Commissioners and determine salary for same.

Art. 4. To choose all necessary town officers, polls to open at ten (10) A.M. and close at one (1) P.M.

Art. 5. To see if the town will vote to accept the report of the Town Officers.

Art. 6. To see if the town will vote to authorize the Selectmen and Treasurer to procure a temporary loan or loans in anticipation of taxes paid during the current municipal year out of money raised during said current municipal year taxes.

Art. 7. To see if the town will vote to authorize the Selectmen and Treasurer to renew all outstanding notes and temporary loans as it may become necessary during the ensuing year.

Art. 8. To see if the town will vote to authorize the Selectmen and Treasurer to retire twenty-five bonds July 1st, also to pay the five bonds due Jan. 1st, 1936 and pay for the same out of the money secured by tax settlement with Androscoggin Pulp Co.

Art. 9. To see what sum of money the town will vote to grant and raise for repair and upkeep of roads. Recommended by Budget Committee to raise \$3,000.

Art. 10. To see what sum of money the town will vote to grant and raise to pay snow bills. Recommended by Budget Committee to raise \$3,500.

Art. 11. To see what sum of money the town will vote to grant and raise for repair of Bridges and Culverts. Recommended by Budget Committee to raise \$1,000.

Art. 12. To see what sum of money the town will vote to grant and raise for State and State Aid road maintenance. Recommended by Budget Committee to raise \$1,200.

Art. 13. To see if the town will vote to grant and raise the sum of one hundred forty-six dollars and forty cents, (\$146.40) to pay interest on local school funds.

Art. 14. To see what sum of money the town will vote to grant and raise for Contingent Expenses. Recommended by the Budget Committee to raise \$2,000.

Art. 15. To see what sum of money the town will vote

to grant and raise for abatements. Recommended by the Budget Committee to raise \$500.

Art. 16. To see what sum of money the town will vote to grant and raise for support of poor. Recommended by the Budget Committee to raise \$8,000.

Art. 17. To see what sum of money the town will vote to grant and raise for street lights. Recommended by the Budget Committee to raise \$1,200.

Art. 18. To see what sum of money the town will vote to grant and raise to pay town officers. Recommended by the Budget Committee to raise \$3,000.

Art. 19. To see what sum of money the town will vote to grant and raise for insurance on school buildings. Recommended by the Budget Committee to raise \$800.

Art. 20. To see what sum of money the town will vote grant and raise for cutting bushes on all state roads. Recommended by the Budget Committee to raise \$300.

Art. 21. To see what sum of money the town will vote to grant and raise for care of cemeteries. Recommended by the Budget Committee to raise \$300.

Art. 22. To see what sum of money the town will vote to grant and raise for Health work in schools. Recommended by the Budget Committee to raise \$150.00.

Art. 23. To see what wages the town will vote to pay men, teams and trucks for labor on roads. Recommended by the Budget Committee to pay men, 30c per hour; teams and driver 60c per hour; and one-and one-half yard truck 75c per hour.

Art. 24. To see what sum of money the town will vote to grant and raise for support of common and high schools (fuel, janitors, cleaning, supplies, text books, high school and common school conveyances and teachers). Recommended by Budget Committee to raise \$1,800.

Art. 25. To see what sum of money the town will vote to grant and raise for school repairs. Recommended by the Budget Committee to raise \$2,000.

Art. 26. To see what sum of money the town will vote to grant and raise for vocational work in high school. Recommended by the Budget Committee to raise \$1,000.

Art. 27. To see what wages the town will vote to pay Tractor operators and wing men for plowing snow. Recommended by the Budget Committee to pay operators and wing men 40 cents per hour.

Art. 28. To see what sum of money the town will vote to grant and raise for support of Fire Department. Recommended by the Budget Committee to raise \$2,500.00.

Art. 29. To see what sum of money the town will vote to grant and raise to pay the Fire Chief. Recommended by the Budget Committee to pay \$100.

Art. 30. To see what wages the town will vote to pay town officers. Recommended by the Budget Committee to pay Selectmen \$2.50 per day; School Board, same; Town Clerk, \$35.00, Treasurer and Collector \$600 per year.

Art. 31. To see if the town will vote to grant and raise necessary funds to install one street light near Camp Comfort on Roosevelt Trail. Recommended by Budget Committee.

Art. 32. To see if the town will vote and grant the sum of fifty dollars (\$50.00) for So. Windham Library, (\$50.00) for No. Windham Library, and (\$50.00) for Windham Center Library. Recommended by Budget Committee.

Art. 33. To see if the town will vote to grant and raise the sum of one thousand thirteen dollars, (\$1,013.00), for the maintenance of third class road in accordance with the provisions of Section four and Section five of Chapter 175. Public Laws of 1933. Recommended by Budget Committee.

Art. 34. To see what sum of money, if any, the town will vote to grant and raise in accordance with provisions of Sections 19 and 21, Chapter 28, Revised Statutes of 1930, or under the provisions of Section 3, Chapter 175, Public Laws of 1933, for the improvement of the river road as outlined in the report of the State Highway Commission. Recommended by the Budget Committee to raise \$2,124.00.

Art. 35. To see what sum of money the town will vote to grant and raise to pay on town debt and interest on loans. Recommended by the Budget Committee.

Art. 36. To see what discount, if any, the town will vote to allow on taxes paid on or before Aug. 1st, of the current municipal year. Recommended by the Budget Committee.

Art. 37. To see if the town will vote to elect four members of the Budget Committee for three (3) years.

Art. 38. To see if the town will vote to grant and raise the sum of four hundred dollars (\$400) for snow fences. Recommended by the Budget Committee.

Art. 39. To see what sum of money the town will vote to grant and raise for the purpose of repairing, remodeling and enlarging the Knight School house.

Art. 40. To see if the town will authorize the Selectmen and Treasurer in behalf of the inhabitants of the Town of Windham to purchase the lot of land at the Knight school bounded by the school driveway, Pope Road and Lowell Road. The purchase price to be charged to the contingent fund.

Art. 41. To see if the town will vote to grant and raise the sum of one hundred dollars, more or less, for the purpose of publishing pictorial History of the Town of Windham to commemorate its two hundredth anniversary.

Art. 42. To see what action the town will take and

what sum the town will vote to grant and raise for the purpose of celebrating the town's two hundredth anniversary.

Art. 43. To see if the town will vote to authorize the Selectmen and Treasurer in behalf of the inhabitants of the Town of Windham to execute and deliver a quit claim deed to Flossie L. Morse upon payment on the amount due the town for taxes, costs and interest a quit claim deed without covenant of land and buildings eight acres, (8) bounded on the north by land of Edwin C. Cobb, est., on the east by road leading to Abram Barnes; south by land of Alice M. Staples; west by Gray and Gorham road, which was assessed to Flossie L. Morse in the years 1930-1931-1933-1934 and sold for taxes by the Collector of the Town of Windham for unpaid taxes of said year on the first Monday of February, 1931-1933-1934-1935 to the inhabitants of the Town of Windham.

Art. 44. To see if the town will vote to authorize the Selectmen and Treasurer in behalf of the inhabitants of the Town of Windham to execute and deliver a quit claim deed to Edwin L. Horr upon payment of the amount due the town for taxes, cost and interest on a lot of land, eight and three-quarters, ($8\frac{3}{4}$) acres and bounded on the north by Gray and Windham Town line; south by land of James G. Morrill, Est., which was assessed to Charles Forgione in the years 1931-1932-1933 and sold for taxes by the Collector of the Town of Windham for unpaid taxes of said year on the first Monday of February 1932-1933-1934, to the inhabitants of the Town of Windham.

Art. 45. To see if the town will vote to accept the list of Jurors as revised by the Selectmen, Treasurer and Town Clerk.

Art. 46. To see if the town will vote to convey by quit claim deed to Wesley M. McLellan its rights, title and easements in and to a lot of land conveyed by said Wesley

M. McLellan to the inhabitants of the town of Windham for a reservoir by the deed dated December 2nd, 1933 and recorded in Cumberland County Registry of Deeds in Book 1433, page 10, said reservoir not having been constructed on said lot, but constructed on another lot of the said McLellan and instruct and authorize the Selectmen and Treasurer of the town to execute and deliver such conveyance, and in lieu thereof receive from the said Wesley M. McLellan a deed of the right, title and easement in and to another lot of land on which said reservoir has been actually constructed.

Art. 47. To see if the town will vote to authorize and instruct the Selectmen and Treasurer as follows:

First: That the selectmen of the Town of Windham, be and hereby are authorized to negotiate for and obtain from Nettie A. Smith and Ernest L. Carpenter, by good and sufficient deeds, the title to a strip or parcel of land on a course roughly described as follows, for the purpose of constructing a town road thereon. (Beginning at a point on the Roosevelt Highway, so called, thirty (30) feet more or less southeast from a large stone located near the boundary line of land of said Carpenter and land now occupied by James Morgan; thence in a general westerly direction, two hundred twenty feet more or less, over land of said Carpenter; thence in a continued general westerly direction over land of said Smith to the Smith home or dwelling.) Said strip or parcel of land shall be of sufficient width to permit, in the opinion of said officers, the construction of a safe and proper public road.

Second: That the said town officers be and hereby are authorized to pay for said land as described herein, if it be found necessary, a sum which shall be reasonable and proper.

Third: That the town officers be and hereby are authorized, in the event that the title to the premises as des-

cribed cannot be obtained by the voluntary deed of the parties, to obtain said premises by the enforcement of all rights and processes, condemnation or eminent domain, on the ground of public convenience and necessity, as provided under the Revised Laws of the State of Maine.

Fourth: That a reasonable sum be appropriated by the Town of Windham for the proper performance of the above.

Art. 48. To see if the town will vote to authorize the Selectmen to purchase in behalf of the town from Margaret Elwell Morrill for fire and municipal purposes the lot of land on which is located the spring from which the residents of Windham Hill have been supplied with water, together with such rights of way as may be necessary and convenient for access thereto, and the pumps, pipes, reservoir and all other equipment used and usable in connection with the pumping, supplying and using of the water of said spring, and raise money for such purchase.

Art. 49. To see if the town will vote to grant and raise money necessary to install one street light near the residence of Howard Richard on the road leading to No. Gorham.

Art. 50. To transact any other business that may legally come before said meeting.

The Selectmen give notice that they will be in session at their office on Saturday, March 2nd, from nine (9) o'clock A.M. until four (4) o'clock P.M., for the purpose of revising and correcting the list of voters.

JASPER E. MAYBERRY,

CHAS. N. ANTHOINE,

GEORGE W. FREIDAY,

Selectmen of Windham.

A sufficient number of these reports have been printed to furnish every interested citizen with a copy. An effort has been made to get them into the hands of the voters in advance. It should be borne in mind that if copies are left at home there may not be a sufficient number at the hall to go around on town meeting day. This year or any year it is desirable for you to have a copy of the annual report as soon as issued. It is also important for you to preserve it and bring it with you town meeting day morning.

REPORT ON FEDERAL PROJECTS

Your Selectmen make the following report covering work accomplished under E. R. A. and W. P. A. projects during 1935.

Road projects include the complete improvement of White's Bridge road; complete improvement including bituminous surface treatment of Depot street as far as High street; partial improvement and surface treatment of High street; complete surface graveling and surface treatment of Bryant street; small amount of graveling on Mallison street; construction of a section of Newhall road; surface graveling on a section of Atherton's Mill road; graveling and some ledge excavation on Dutton Hill road; completion of work on Gray road, straightening curve and extending culvert; cutting bushes on Falmouth road, Newhall road, and Nash road.

Considerable expense was incurred in providing necessary culverts principally on Depot street and White's Bridge road. The type of construction on Depot street and High street is equally as good as that approved on

regular State Aid road, Depot street having already been accepted by the State as improved State Aid highway for maintenance purposes. High street is acceptable as far as improved. Construction on White's Bridge road is equally as good except that it is somewhat narrower.

The old distribution pipe lines on Windham Hill were entirely relaid and for the most part replaced with new pipe, shutoffs, etc. These pipes were placed at a regular depth of five feet and under road beds they placed it five and one-half feet deep, making it very unlikely that there will be any trouble from freezing in the future. The spring house was insulated and a pressure tank and automatic switch was installed, thereby improving the service and reducing the labor costs for caretaker to a minimum.

A concrete reservoir for fire protection purposes was built in connection with the Windham Hill water system. This reservoir is completely underground and stores sufficient water to supply a large pumper for one hour or more of continuous pumping.

The water reservoir in the Mayberry neighborhood and on the Gates property at No. Windham were enlarged and improved. Some fencing around reservoirs has been done.

Concrete floors were laid at the Friends' schoolhouse and the tractor house at the Town farm.

A W. P. A. project for making a tax map, for use by the assessors, is now in progress. If properly completed such a map would be of great value to the Town as an aid in preventing omissions of parcels of real estate from the assessors' lists; and also by improving tax deeds through proper descriptions.

A project providing one man for work on E. R. A. and W. P. A. records and general office work has also been operated.

The division of costs on these projects has been about evenly divided between the federal government and the Town. The Town has provided material to the amount of \$2,756.23, labor and equipment to the amount of \$5,770.26, making a total cost of \$8,526.49. A large part of the Town's cost for labor and equipment included truck hire.

The federal government provided labor to the amount of \$7,309.55 exclusive of the survey project.

We feel that Windham has secured as much or more permanent useful improvements through federal relief work than the average town. There have been many discouragements in connecton with these projects, but, so long as federal money was to be expended in this manner, we believe it would have been a serious mistake for the Town not to have taken advantage of it.

Much useful and permanent work has been accomplished, a large saving in the relief expense and a circulation of money in the Town to the benefit of everyone.

Respectfully submitted,

JASPER E. MAYBERRY,
CHAS. N. ANTHOINE,
GEORGE W. FREIDAY,

Selectmen of Windham.

AUDITOR'S REPORT

February 15, 1936

I hereby certify that I have examined the accounts of Selectmen, Treasurer and Collector of Windham, Maine, for the year ending February 10, 1936, and to the best of my knowledge and belief they are true and correct.

I also certify that the temporary loan notes as listed below have been paid and the same destroyed in the presence of the Selectmen and Treasurer.

Date		
June 14, 1935		\$ 5,000 00
June 28, 1935		25,000 00
July 1, 1935		3,000 00
July 1, 1935		6,000 00
Nov. 27, 1935		10,000 00

Respectfully submitted,

JOHN O. LE GROW,

Auditor.

REPORT OF THE SUPERINTENDING SCHOOL COMMITTEE

To the Citizens of Windham:

The Superintending School Committee submit the following report:

We have completely renovated the Knight School. We tore down one end and a large part of one side of the old building, built a seven foot addition on the end with four windows and grouped the windows on one side and bricked them up on the other side, tore out the whole inside of the building, studded the walls, put new furring on the ceiling, partitioned off an entrance and two coat rooms, built a storage closet, lathed the whole building with insulating lath, plastered it, installed new windows, laid a new hard wood floor, built a bookcase in the school room, built a woodshed and a covered entrance to the school house, shingled the roof, buried one stone wall under a new driveway, graded the driveway and did some grading on the school lot. We installed a new heater, a sink, slate blackboards and re-wired the whole building. Although no new desks were installed, we discarded many of the old desks and brought some from the Windham Hill building. All of the desks were varnished as was all of the finish and the floor. The finish, the entrance, woodshed and toilets were given two coats of paint. A new chimney was built with ventilation provided to take care of proper change of air in the school room. We now have a warm, well-lighted and convenient building, entirely

suited to the school's needs. The total cost was \$2,204.93. Of this, almost exactly one-half was spent for labor and one-half for material including blackboards, heater and curtains.

At the High School we have placed the finish around the windows in the Laboratory, built a large storage cabinet across one end of the room with ample room for Physics and Chemistry apparatus and with space for a hood for the disposal of noxious gases, built a large bookcase and erected a bulletin board and a slate blackboard behind the Instructor's desk. The small room across the hall from the laboratory has been finished and slate blackboards, a bulletin board, and a small bookcase have been installed. This room is used for language classes. Large bookcases have been built in one of the rooms off the main room on the first floor and the two rooms are being used as a Library and Reading Room. All of the new work has been varnished. The sewer from the shower rooms has been taken up and relaid. Unless some way can be found to obtain better drainage and to keep paper towels and other matter out of the sewer, it will continue to give trouble. The floors in the shower rooms have been painted and the Gymnasium floor has been refinished. The total cost of High School repairs was \$773.69.

The Friends school has a new basement floor, labor furnished by an E. R. A. project. The walls of the girls' basement and the floors of both toilets have been painted at the John A. Andrew school. The sash in one room at the Newhall School has had extensive repairs. Pinning boards have been placed in the Ireland School. The basement walls and the toilet room floors have been painted at the Arlington School, the lawn has been seeded and an E. R. A. project on the road has enabled us to extend the driveway to include a turn for the school bus and a ditch to care for the water in the spring. The Town paid for the truck and the gravel.

Beside the repairs enumerated, there have been the usual miscellaneous repairs. The total cost of common school repairs was \$466.04.

Respectfully submitted,

CLARENCE W. PROCTOR,

FREL L. HASKELL,

LESLIE E. ALLEY,

Superintending School Committee.

Schools to keep Oct. 12, Jan. 1, and Feb. 22nd if these days come on school days.

By schools: Mr. Libby resigned to accept a similar position at Richmond. We hired William Kimball of Gorham who is a graduate of Gorham Normal School and has taught in Newfield. Miss Knight accepted retirement this year after more than 40 years of service, and we transferred Louise Kennard from the Arlington School to the Primary room. Mrs. Bailey still remains in the Intermediate room. Newhall School; Miss Peabody resigned to accept a larger and better position in Gorham. We transferred Mrs. Stiles from the Grammar room to the Primary room and engaged Kemis Haskell, a Windham girl, with several years' experience elsewhere for the Grammar room. Arlington School: As outlined before, Miss Kennard was transferred and we brought Miss Lord from the Hill school (which was closed) for the Intermediate room. Mr. Plummer and Miss Hawkes remained in the other two rooms. Friends school: Miss Hutchins retired and Miss Stella

Nichols, a Windham girl, with experience elsewhere and a graduate of Gorham Normal school was elected to fill the vacancy. Hill school: was closed by vote of the School Committee there being only three pupils to attend. Center—no change. Kennard—no change. Ireland—no change. Knight—no change. High school—no resignations occurred, but we engaged Miss Frances Ray of Auburn, a graduate of Bates College, as a new member of the staff to take care of larger classes and new curriculum changes. Miss McComb was made vocational home economics teacher and this took all of her time. Music—no change.

CONVEYANCE

For some time we have thought it might be possible to improve our conveyance service without increasing the costs. Several plans were discussed and proposals obtained on at least two plans this summer, besides the plan which we finally adopted. Mr. Proctor and I went to Augusta and obtained figures for town-owned and contract-carried from many towns of the state. As a result the School Committee bought, out of existing funds a new Chevrolet School Bus capable of holding 50 pupils and put it on service to take care of high school conveyance from North and South Windham and the conveyance to the Arlington school. Even though town-owned, existing funds are not available for the entire cost of the carrying of high school pupils, hence a fee of 50 cents per week is charged as in previous years for this purpose to supplement our funds. It is estimated that the sum total of this would amount to more than \$1,000.00 per year and such sum must be made available from other sources if we discontinue this charge as some have requested. We engaged as driver Ralph Lowell who held the old contract and also made him janitor of the Friends school, a position which works well with the conveyance. So far this year con-

ditions have been favorable and we have been able to keep under the estimate of costs and operate at low expense.

With the exception of the so-called Glantz route to the Arlington school, other contracts as outlined in previous reports were continued and conveyance obtained as usual to the other schools. With a new (another) bus, we should give better service and an opportunity will be given voters to express themselves on this subject at this town meeting.

JANITOR SERVICE

This is being performed the same as reported last year.

FUEL

Bids were obtained for schoolhouse wood. Coal was purchased from the only known coal dealer in town. Amounts and prices about the same as in previous years. Bids will be out later for next year's supply of wood and I shall be glad to hear from anyone interested in supplying wood unless we are able to obtain wood from the town.

SUPPLIES AND TEXTBOOKS

We have tried to furnish such supplies and books as may be needed. Electricity is available in all our schools and running water in some. We want our schools and children to have what we can afford. We have increased our library facilities and hope to purchase more books next year. New reference books and dictionaries have been purchased.

HIGH SCHOOL

School opened in September with an enrollment of 148, an increase over the previous year. We changed the curriculum to meet new conditions and standards of many schools of this size of the state. A brief outline follows:

Required Subjects of All —

1st. Yr.	2nd Yr.	3rd Yr.	4th Yr.
English	English	English	English
Math.			

Also Required of College Preparatory —

Latin	Latin French	Latin * as elected French	Latin * as elected
-------	-----------------	---------------------------------	-----------------------

Offered as Electives —

Civics	Mathematics	Mathematics	Business Tr.
Gen'l Science	(Algebra)	(Geometry)	Prob. of Dem
Agriculture	World Hist.	Am. Hist.	Physics
	Biology	Chemistry	Agriculture
	Agriculture	Agriculture	Home Econ.
	Home Econ.	Home Econ.	

Music Optional.

Physical Training Required by Law.

For Repairs, we shall refer you to the report of the School Committee.

INSURANCE

Insurance is carried in mutual companies for a total of about \$50,000.00 on the schoolhouses of the town.

HEALTH WORK

This has been continued as before. \$100.00 of the amount appropriated by the town goes to the Cumberland County Public Health Association for the nurses work in our schools. The dental clinic receives \$50.00 and the rest of the money is raised by the Teachers Association and from contributions. This last year each pupil in the elementary schools (if present) was examined by the Dental Hygienist and had his teeth cleaned. About one-third of our pupils also had corrections and more would have been treated if funds had permitted. It is hoped that money will be available this year so that the work can be continued.

MUSIC

Mrs. Grant comes to the town once each week and spends the day visiting all of our schools in rotation as time permits according to a program worked out last year. In the high school, we have engaged Miss Ray to take charge of the music work (under Mrs. Grant's direction) and improvement is noted. Last year the high school orchestra presented a broadcast over WCSH and it is expected they will do so again this year.

RECOMMENDATIONS AND NEEDS

As recommended before, improvement can be obtained through a system of consolidation and the building up of a six-year high school at Windham Center. This doesn't mean that all of our schools would be closed but certain grades would be moved from the larger schools to certain points so that teachers would have more time for the grades and so that children would have greater opportunities from an enlarged curriculum. Probably the six year High school at Windham Center would require some addition to our present school building. Conveyance can be obtained today over better roads than were available years ago, and the conveyance can be a modern comfortable and warm school bus. Once established such a program would cut school costs but should result in lower per pupil cost and reduced expenses for the upkeep of the school buildings with a great improvement in teaching to meet present day conditions.

It is hoped that the town will recommend the purchase of another school bus (similar to the one purchased this year) for the improvement of our conveyance work. Such a purchase would not result in the closing of schools or a school consolidation program. It has not been the policy of the school committee or myself to close small schools unless it is the wish of a majority of the people, although two possibilities are now particularly noticeable.

HISTORY AND CELEBRATION

Last year the town appropriated money to publish Mr. Frederick H. Dole's History, entitled "Sketches of the History of Windham, Maine", and appointed a committee to make plans for the celebration of the 200th anniversary of the town. The book has been published and is available at the office at Windham Center and plans are in progress for the celebration and the marking of historical spots.

Mr. Dole is to be congratulated upon the book which is an admirable piece of work and the thanks of the town should be given to him for the manuscript which he gave to the town. Mr. Hanson, from one of the old Windham families, also is to be thanked for his services (free) in securing the excellent photographs of historical spots, and we also want to remember Mr. Cobb who printed the book at practically cost for his interest and time in securing such an excellent book.

We expect to use the book in our study of local history in the eighth grade.

BUDGET FOR 1936-1937—36 WEEK SCHOOL YEAR

	Appropriated 1935-1936	Recommended 1936-1937
1. Support of Schools,	\$ 18,000.00	\$ 18,500.00
2. Vocational Education,	1,000.00	1,400.00
3. Repairs,	2,000.00	2,000.00
4. Health Work in Schools,	150.00	150.00
5. Special, (Knight)	1,200.00	(Shop) 700.00
6. Insurance,	1,000.00	1,000.00
Totals,	\$ 23,350.00	\$ 23,750.00

The School Committee recommends the raising of this entire sum of money under one article instead of under six articles as formerly.

ITEMS OF SCHOOL BUDGET—1936-1937

	High	Elementary
1. Schools:		
Teachers,	\$ 4,656.00	\$ 8,280.00

APPROXIMATE SCHOOL COSTS (nearest dollar)

	1933		1935 *	
	High	Common	High	Common
Teachers,	\$ 6,046.00	\$ 9,662.00	\$ 3,630.50	\$ 7,984.50
Conveyance,	944.00	2,359.00	1,057.45	4,038.59
Fuel,	443.00	701.00	660.21	1,281.34
Janitors and Cleaning,	599.00	1,513.00	570.10	1,360.15
Supplies,	228.00	800.00	523.41	1,554.75
Books,	215.00	239.00	922.16	1,111.05
Totals,	\$ 8,475.00	\$ 15,274.00	\$ 7,363.83	\$ 17,330.38

* This figure is for the entire fiscal year of the town, from the closing of the town's books last year to the closing of the books this year. These figures are not fair comparisons for the cost of schools for an exact 36-week school year as often bills are paid that belong to the past year as is the case of the book and supplies amounts that were paid this year. The increase in the total of common school conveyance this last year is explained by charging the entire cost of the school bus to this account.

APPRECIATION

In closing, I wish to thank all those who have helped in any way to maintain our standard and keep up our school efficiency this year.

Too much emphasis can not be laid upon our educating our children who will be our voters and tax payers in 1946. New education is needed to meet present day economic conditions. Fred Charles says, "To the taxpayer who urges the schools to go back to the three R's, schools have the right to say, 'When you go back to the wood burning stove, when you tear out your electric lights and go back to the coal oil lamps, when you rip out your telephone, resurrect your horse and buggy, and scrap your automobile, when you junk you cash register, and your adding machine, then we will go back to the three R's, and not until then.' For one is as absurd and as impossible as the other."

* Some figures from the Maine State School Bulletin for 1936.

Cumberland County—to let you see what your neighbors do in regard to schools.

Yarmouth,	21850.00	.01515	.057 3744.08
State Average,		.01171	.05535

Notice that Windham is considerably under the state average. Probably we are as able as the average to support schools.

Respectfully submitted,

FREDERICK H. AIKINS,
Superintendent of Schools.

Respectfully submitted,

C. T. SEAVEY,

Town Clerk of Windham.

TOWN WARRANT

Staté of Maine

Cumberland, ss.

To E. Dean Pray, Constable, Town of Windham, in said
County, Greetings:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of said Town of Windham, qualified by law to vote in town affairs, to assemble at the High School Hall in said Town of Windham, the second (2nd) day of March, A. D. 1936, at ten (10) o'clock in the forenoon to act on the following articles, to wit:

Article 1. To choose a moderator to preside at said meeting.

Art. 2. To see if the town will vote to elect one or more Road Commissioners and determine a salary for same. Recommended by Budget Committee to pay 35 cents per hour.

Art. 3. To see if the town will vote to instruct the Selectmen to appoint one or more Road Commissioners and determine salary for same.

Art. 4. To see if the town will vote to elect four members of the Budget Committee for three years.

Art. 5. To see if the town will vote to elect the Selectmen, Assessors and Overseers of the Poor, one to serve for a period of one year, one for two years and one for three years, and one for three years annually thereafter.

Art. 6. To choose all necessary Town Officers, polls to open at ten (10) A.M. and close at one (1) P.M.

Art. 7. To see if the town will vote to accept the report of the Town Officers.

Art. 8. To see if the town will vote to receive the report of special committee appointed at the last annual meeting.

Art. 9. To see if the town will vote to borrow from time to time during this municipal year a sum or sums of money not exceeding in the aggregate \$50,000.00 for the purpose of paying the current expenses of the town in any or all of its municipal departments, and to authorize the Selectmen and Treasurer to issue the note or notes of the town for the sums borrowed with renewals thereof if not paid when due, but all of said notes to be payable on or before February 15, 1937, with the rate of interest to be agreed upon by the Selectmen and the lender or lenders, and all of said notes to be paid out of taxes to be assessed and collected during this municipal year, said notes to be signed by the Town by the municipal officers and the treasurer, and attested by the town clerk. Recommended by the Budget Committee.

Art. 10. To see if the town will vote to authorize the Selectmen and Treasurer to renew all outstanding notes and temporary loans as it may become necessary during the ensuing year.

Art. 11. To see if the town will vote to issue and negotiate its notes for the following purposes, to wit: To refund five thousand dollars of its bonds falling due and payable on January 1st, 1938 and callable on July 1st, 1936, and five thousand dollars of its bonds falling due and payable on January 1st, 1939, and callable on July 1st, 1936, and five thousand dollars of its bonds falling due and payable on January 1st, 1940, and callable on July 1st,

1936. Said notes to be signed on and in behalf of the town by its Selectmen and its Treasurer, and attested by the Town Clerk, and to be of the denomination of five hundred or one thousand dollars each, and to bear interest at a rate agreed upon by the Selectmen and Treasurer and the lender or lenders of the money. Notes amounting to five thousand dollars to mature on the first day of January 1938, and notes amounting to five thousand dollars to mature on the first day of January 1939, and notes amounting to five thousand dollars to mature on the first day of January 1940. The Town Clerk shall make and sign a minute on the foot of each note the amount of all notes, if any, issued under this article and falling due on the due date of the note on which the minute is made.

Art. 12. To see what sum of money the town will vote to grant and raise for repair and upkeep of roads. Recommended by the Budget Committee to raise \$4,000.00.

Art. 13. To see what sum of money the town will vote to grant and raise to pay snow bills. Recommended by the Budget Committee to raise \$4,000.00.

Art. 14. To see what sum of money the town will vote to grant and raise for the repair of bridges and culverts. Recommended by the Budget Committee to raise \$1,500.00.

Art. 15. To see if the town will vote to grant and raise the sum of eighteen hundred dollars (\$1,800.00) for state and state aid road maintenance, including snow removal on the state highway, in accordance with the provisions of Section 9, Chapter 28, Revised Statutes of 1930 as amended by Section 9, Chapter 149, Public Laws of 1935. Recommended by the Budget Committee.

Art. 16. To see if the town will vote to grant and raise the sum of eight hundred forty-nine dollars (\$849.00) for the maintenance of Third Class Roads in accordance with the provisions of Sections 44 and 46, Chapter 173, Public Laws of 1935. Recommended by the Budget Committee.

Art. 17. To see what sum of money, if any, the town will vote to grant and raise in accordance with provisions of Section 19, Chapter 28, Revised Statutes of 1930, as amended by Section 3, Chapter 173, Public Laws of 1935, for the improvement of the River Road as outlined in the report of the State Highway Commission. Recommended by the Budget Committee to raise \$2,124.00.

Art. 18. To see what sum of money the town will vote to grant and raise for the purchase of snow fence. Recommended by the Budget Committee to raise \$200.00.

Art. 19. To see what sum of money the town will vote to grant and raise for cutting bushes on all state roads in accordance with the provisions of Sections 44 and 46, Chapter 173, Public Laws of 1935. Recommended by the Budget Committee to raise \$300.00.

Art. 20. To see if the Town will vote to grant and raise the sum of four thousand dollars (\$4,000.00) for the improvement of the Nash Road and Varney's Mill Road so-called, same to be expended as the town's contribution in connection with W. P. A. funds providing such funds become available. Recommended by the Budget Committee.

Art. 21. To see if the town will vote to grant and raise the sum of one thousand dollars (\$1,000.00) to be used on Nash road, work to begin at the Roosevelt Trail and extend toward Ireland School house, providing funds under Article 20 are not available. Recommended by Budget Committee.

Art. 22. To see if the town will vote to grant and raise the sum of two hundred fifty dollars (\$250.00) to remove ledge to improve drainage on Albion Street between Roosevelt Trail and the Mildred Nelson place, and to remove that portion of embankment on south side of road which obstructs the view when entering the Roosevelt Trail. Recommended by the Budget Committee.

Art. 23. To see if the town will vote to grant and raise the sum of one thousand dollars (\$1,000.00) to complete the improvement of High Street and Mallison Street, providing necessary hand labor and bituminous surface treatment can be secured without expense to the town. Recommended by the Budget Committee. L

Art. 24. To see if the town will vote to grant and raise the sum of six hundred dollars (\$600.00) to pay cost of applying bituminous surface treatment to the White's Bridge road. Recommended by the Budget Committee. L

Art. 25. To see if the town will vote to grant and raise the sum of four thousand two hundred thirty dollars (\$4,230.00) to pay town's part of the cost of rebuilding the Glantz Bridge so-called in accordance with such plan as may be approved by the joint board composed of the State Highway Commissioners and County Commissioners and Municipal Officers of Windham. *Discontinued*

Art. 26. To see what sum of money the town will vote to grant and raise to pay a portion of the cost of moving the Grange Hall at Foster's Corner and do necessary excavating, grading and foundation work, providing the Grange will provide the necessary land and the State Highway Commission will provide the balance of funds required to satisfactorily complete the work. *\$800*

Art. 27. To see what wages the town will vote to pay men, teams and trucks for labor on roads. Recommended by Budget Committee to pay men 30 cents per hour; team and driver 60 cents per hour; and one and one-half yard trucks and driver \$1.00 per hour.

\$26.00
7-1-15
Art. 28. To see what sum of money the town will vote to grant and raise to pay town officers. Recommended by the Budget Committee to raise \$3,500.00. L

Art. 29. To see what sum of money the town will vote to pay tractor operators and wingmen for plowing snow. L

Recommended by the Budget Committee to pay operators and wingmen 40 cents per hour.

Art. 30. To see what wages the town will vote to pay Town Officers. Recommended by the Budget Committee to pay Selectmen \$2.50 per day, School Board \$40.00 per year, Town Clerk \$35.00 per year, Fire Chief \$100.00 per year, Treasurer and Collector \$50.00 per month.

Art. 31. To see what sum of money the town will vote to grant and raise to pay on town debt and interest on loans. Recommended by the Budget Committee to raise \$6,500.00.

Art. 32. To see what discount, if any, the town will vote to allow on taxes paid on or before August 15th of the current municipal year. Recommended by the Budget Committee to allow 2 per cent. *1 1/2 %*

Art. 33. To see what sum of money the town will vote to grant and raise for support of Fire Department. Recommended by the Budget Committee to raise \$2,500.00. *2*

Art. 34. To see if the town will vote to grant and raise the sum of fifty dollars (\$50.00) for South Windham Library; \$50.00 for North Windham Library and \$50.00 for Windham Center Library. Recommended by the Budget Committee. *yes \$*

Art. 35. To see what sum of money the town will vote to grant and raise for contingent expenses. Recommended by the Budget Committee to raise \$2,500.00.

Art. 36. To see what sum of money the town will vote to grant and raise for abatements. Recommended by the Budget Committee to raise \$500.00.

Art. 37. To see what sum of money the town will vote to grant and raise for support of poor. Recommended by the Budget Committee to raise \$8,000.00. *578000*

Art. 38. To see what sum of money the town will vote to grant and raise for street lights. Recommended by the Budget Committee to raise \$2,100.00. *\$ 2 100*

Art. 39. To see what sum of money the town will vote to grant and raise for care of cemeteries. Recommended by the Budget Committee to raise \$300.00. *\$ 300*

Art. 40. To see if the town will vote to grant and raise the sum of one hundred dollars (\$100.00) to paint buildings at Town Farm. Recommended by the Budget Committee.

Art. 41. To see if the town will vote to grant and raise the sum of one hundred forty-six dollars and forty cents (\$146.40) to pay interest on local school funds. Recommended by the Budget Committee. *\$ 146.40*

Art. 42. To see what sum of money the town will vote to grant and raise for insurance on school buildings. Recommended by the Budget Committee to raise \$1,000.00. *\$ 1000*

Art. 43. To see what sum of money the town will vote to grant and raise for health work in schools. Recommended by the Budget Committee to raise \$150.00. *\$ 150*

Art. 44. To see if the town will vote to recommend to the school committee that they purchase another school bus similar to the one purchased this last year and re-arrange existing conveyance routes so that two large busses would do most of the school conveyance now done by six different vehicles and raise money for same. Recommended by the Budget Committee to purchase with regular school money. *\$ 3*

Art. 45. To see if the town will vote to discontinue the school at Windham Hill closed by action of the school committee in September 1935. *discontinued*

Art. 46. To see if the town will vote to grant and raise a sum of money for the purpose of starting a school shop for the High School. Not recommended by the Budget Committee. *Discontinued*

Art. 47. To see what sum of money the town will vote to grant and raise for support of common and high schools (fuel, janitors, cleaning, supplies, text books, high school and common school conveyances and teachers). Recommended by the Budget Committee to raise (\$18,500.00).

Art. 48. To see what sum of money the town will vote to grant and raise for school repairs. Recommended by the Budget Committee to raise \$2,000.00.

Art. 49. To see what sum of money the town will vote to grant and raise for vocational work in the high school. Recommended by the Budget Committee to raise \$1,400.00.

Art. 50. To see what action the town will take to provide adequate safe space for the storage of town records at the town office, and raise money for same.

Art. 51. To see what action the town will take regarding the purchase of land and buildings at Mallison Falls known as the Windham Mfg. Plant and raise money for same. Recommended by the Budget Committee to raise \$5,500.00. *\$ 2,750 cash. 11/10/11*

Art. 52. To see if the town will vote to authorize the Selectmen and Treasurer in behalf of the inhabitants of the Town of Windham to execute and deliver a quit claim deed without covenant to any person or persons desiring to purchase land and buildings to which the town has or may acquire a title through sale of such real estate for non-payment of taxes, on payment of such sum as may be agreed upon by the purchaser and Selectmen and Treasurer.

Art. 53. To see if the town will vote to grant and raise the sum of three hundred dollars (\$300.00) to be used for White Pine Blister Rust Control, providing the Federal Government provides at least fifteen hundred dollars (\$1,500.00) to be expended in Windham for the same purpose. *\$ 300*

Art. 54. To see if the town will vote to reimburse Precilla M. Cressey for taxes assessed by error during the years 1930, 1931, 1932, 1933, 1934—amounting in all to \$39.26 and raise money for same. *El 39*

Art. 55. To see if the town will vote to appoint a committee consisting of nine members to investigate and make recommendations to the assessors regarding the assessment of taxes of the Androscoggin Paper and Pulp Corporation for the year 1936.

Art. 56. To transact any other business that may legally come before said meeting.

The Selectmen give notice that they will be in session at their office on Saturday, February 29th, from nine (9) o'clock A.M. until four (4) o'clock P.M. for the purpose of revising and correcting the list of voters.

Given under our hands this nineteenth day of February, 1936.

JASPER E. MAYBERRY,
CHAS. N. ANTHOINE,

WINDHAM TOWN HALL, Built 1833

SOME THINGS OF INTEREST ABOUT WINDHAM

July 30, 1937, is the 200th anniversary of the coming of the first settler to Windham. Plans are being made to fittingly observe this anniversary.

Mr. Frederick Dole, author of Windham's new town history, has kindly prepared a list of historic spots important in Windham's early history, which it is planned to provide with permanent markers previous to July 30th.

Through the efforts of senator, Honorable Frederick Hale, at the request of your selectmen, an obsolete piece of field artillery has been secured from the United States government for ornamental purposes and will be in place in front of the town office previous to the anniversary.

Windham originally was much larger than at present, formerly occupying much land now included in Westbrook, Falmouth and Gray.

It is interesting to note that Thomas Chute, first white settler in Windham, chose a spot for his cabin home situated on the banks of the Presumpscot River only a short distance below the present site of the woolen mill at Mallison Falls. The site of this mill is also the site of the first mill to be erected in Windham.

Controversy as to whether a mill should be allowed to stand on this site is not new in Windham's history. The first mill was a sawmill erected about 1738. The Indians objected strenuously to the construction of this first mill—even sending their chief to Boston to confer with the governor of Mass. regarding its operation. Despite these objections the mill was finally built and put in operation and proved a valuable asset to the early settlers.

Population (1930 census) 2,075.	Has 2 rivers.
Has 1,463 registered voters.	Has 9 natural lakes and ponds.
Has 94.7 miles of public roads.	Has 8 grade schools now in use.
Has 10.7 miles of hard surface roads.	Has 1 high school with gymnasium.
Has 21.5 miles of tar surface roads.	Has 3 public libraries.
Has 2.1 miles of improved un-tarred roads.	Has 5 churches now active.
Has 60.4 miles of partially improved roads.	Has 1 town farm.
Has 5 concrete bridges (Span 10 ft. and over).	Has 1 wood flour mill.
Has 6 iron bridges (Span 10 ft. and over).	Has 1 wood board mill.
Has 13 wooden bridges (Span 10 ft. and over).	Has 1 woolen mill.
	Has 2 lumber mills.
	Has 9 grocery stores now active.
	Has 7 public garages.

1937	35,000 00	_____

Includes bonded debt, all outstanding notes and unpaid State taxes. All State and County taxes are paid this year.

SELECTMEN'S REPORT

Your Selectmen make the following report covering general municipal activities and accomplishments during the past year. Included in this brief summary will be found a few recommendations which have been included by your Selectmen, because of their close contact and familiarity with the particular problems, and, are here submitted only in a spirit of helpfulness and co-operation with the townspeople.

The period of depression through which we have been passing has presented a multiplicity of trying problems not ordinarily faced in municipal affairs, with which the town has been forced to deal. We believe that on the whole proper solutions have been arrived at and reasonable accomplishments effected.

ROADS

In the care of our roads, the three road commissioners are deserving of much credit in keeping so nearly within their respective allotments. Last spring the flood damage to the roads and culverts caused great expense not usually necessary. A large number of old rock culverts had to be replaced with pipes as a result of this flood damage, which, together with the constantly growing demand for driveway culverts caused a heavy overdraft in the bridges and culvert account. The expense during the past year has been in large part emergency costs and should not be used as a gauge governing appropriation in this account for the coming year.

White's bridge has been repaired and painted more thoroughly than is usually done. Two steel I-beam girders have been placed at Brands bridge and two at Narrows bridge. Three steel beams have been added to Popeville bridge, which is now supported entirely by steel girders. The approaches at Popeville bridge have been straightened and graveled. Several bridges have been planked and steel guard rail cable provided.

The abutments of Inkhorn bridge have been thoroughly pointed with cement and some work done on the bridge on the Wark road.

Our bridges on the whole are in good condition. A large amount of steel guard rail has been erected, providing increased safety on our roads at the most dangerous places. The cost of guard rail cable has been large, during the past year, but, work that has been neglected for years has now been accomplished. Little or no guard rail will be needed this coming year.

The Anderson, Newhall and Mallison Falls bridges should be painted this year. Steel girders should be installed at the two Varney bridges in East Windham and more added at Brand's bridge as soon as possible. Steel girders provide a maximum of safety and a minimum of maintenance cost and should completely replace wood in our bridges.

Improvement of the River road under State Aid has now been completed as far as the John Mayberry place. Improvement of this road should be completed as soon as possible in order that work under this fund may be started on the Falmouth road. The section north of Loviss bridge should be tarred this year.

Improvement of the Windham Center road as a Third Class road has been started at the Roosevelt Trail and 3,400 feet completed this year.

An effort is being made at the legislature by our representative, Mr. Orville V. Haskell, to secure a special resolve fund, with which, improvement on the Falmouth road

may be started. To this fund it is proposed that the town add an equal amount, which seems to be the only way by which this needed improvement can be secured.

A splendid improvement has been completed at Foster's Corner, rendering this corner much safer than formerly. Accidents still occur at this point however, and, the installation of a traffic signal light seems to be the only method by which satisfactory safety conditions can be fully secured.

TOWN SAFE

A modern safe has been installed at the town office and steel shelves placed in the old vault. Adequate safe storage has thus been provided for the town's important records.

OFFICE

An extensive and important work has been in progress during the past year in providing new and proper description of real estate on the assessor's records. This is fully as valuable as any piece of work undertaken during the past year and should be fully completed during the coming year. Proper descriptions lay the foundation for, and make possible, the writing of valid tax deeds. It seems idle to go on year after year making tax sales and writing worthless tax deeds, on account of having improper and incorrect descriptions.

The necessary work of the town is no different than that of any individual or corporation. If it is worth doing at all it is worth doing well. With this thought in mind we should not hesitate to allow adequate funds to properly carry on the work at the town office. It is not uncommon for towns to lose thousands of dollars in worthless tax sales which is the direct result of poor and incomplete work on the part of the town officers.

While this condition cannot be completely overcome, because of the endless technicalities of law involved, great

improvement is possible. It would seem to be wiser to expend small amounts and save large amounts than to save small amounts and lose large amounts. Some expense for clerk hire at the town office and less expense for selectmen's salary, is a thought which may be worth considering.

POOR DEPARTMENT

Expense in the poor department has increased slightly during the past year. A large amount of time and effort has been devoted to this department by your overseers, in an endeavor to keep costs at a minimum, and at the same time, bring relief to those needy and worthy of aid.

Federal relief has been curtailed in many cases, thereby increasing the relief load which the town had to assume.

The committee appointed in 1936 to work with and make recommendations to the overseers of the poor, held several meetings and made many valuable suggestions. We feel that the work of this committee was well worth while, and that the town would benefit much by the continued assistance of such a committee.

While we believe in adequate aid for those needy of such aid, we just as firmly believe that those physically able should perform some useful work for the town in return for the aid extended to them.

Relief employment if properly conducted and supervised is certainly a benefit to both the town and those receiving aid.

W. P. A.

Much less has been done under W. P. A. projects, in Windham, during the past year. A log dam was constructed at the Narrow's Bridge, replacing the one destroyed by the flood.

A large washout on the Atherton Mill road was filled with ledge rock from the Foster's Corner job; rendering any further damage by the brook at this point unlikely.

Some graveling was done on the Falmouth road and several others.

A project for the improvement of the Pope road has been approved and is expected to start soon.

WATER PROJECT

The project for the installation of water systems at No. Windham and Newhall seems likely to materialize this year, if properly encouraged by the town.

These water systems would undoubtedly encourage the development of new property, which would eventually materially aid in carrying the tax burden. This project would afford employment to many this year and would cost the town nothing for construction. With these water systems installed the town would be able to furnish hydrant protection to large areas now practically without fire protection.

The North Windham area especially is ready for growth and development. Its location near Portland on the Roosevelt Trail and surrounded as it is by beautiful lake property, where development is progressing rapidly, makes it particularly attractive for many people to locate there. Owing to the sandy condition of the soil, pollution of its water supply is increasing constantly. This condition must sooner or later be remedied.

We firmly believe that the necessary hydrant cost, which the town must pay to secure this water system, would be returned many times to the town treasury in the form of new taxes levied on new property and increased taxes on the property now existing. Property owners at North Windham can and should pay some increased taxes because of increased value and insurance rate reductions. Insurance costs would be reduced one-half which would offset any increase in taxes which might be paid by North Windham people.

Authorization by the town this year of hydrant rental costs will in all probability bring about the installation of a water system that will be a credit to the town.

WOOLEN MILL

In accordance with the vote recommended by the Budget Committee and passed at the annual town meeting 1936, your selectmen and treasurer purchased the Woolen Mill at Mallison Falls. Shortly after the purchase was made an action was brought in the Cumberland County Supreme Court against the town by: John O. Legrow, C. Neal Anthoine, Loren Dyer, Fred L. Haskell, Everett L. Parker, Chas. J. McLellan, Annie B. Morrill, Walter C. Hussey, Leslie Alley, Horace J. McLellan, and Arthur Hill. * This action was to restrain the town from maintaining the purchase. The action of the town was well defended at considerable cost to the town. The group of complainants however won a complete victory. The Court ruling that although the purchase might be a wise and prudent act it was somewhat outside the authorized activities of a municipality. As a result of this group being successful in stopping the town from making the purchase, the valuable property of Mallison Falls again faced the danger of demolition at the hands of salvagers, and becoming a permanent loss to the town and county.

Fortunately the danger that threatened was quickly seen and prompt action was taken. A corporation was formed, independent of the town, composed entirely of Windham people, and known as the Windham Realty Company. The necessary funds were raised and title to the property passed to this new local corporation on the fifth day of February 1937.

Seldom has there been such an outstanding demonstration of loyalty and patriotism to their town as shown by the members of this corporation. They hazarded their own hard-earned money to protect the best interests of the town,

when the town was powerless to protect itself. As we understand it, the purchase of the Windham Realty Company is to secure an occupant for this plant, who will start operating, and again give the community the blessing of a restored payroll and tax income.

Windham should never hesitate to encourage its industries with which it has been so largely favored in the past.

Respectfully submitted,

JASPER E. MAYBERRY,
LESLIE O. FOYE,
ALBERT W. JORDAN,

Selectmen of Windham.

TREASURER'S REPORT

WILLIAM K. FOSTER, Treasurer
In Account with Town of Windham

Dr.

JOHN O. LEGROW,
Auditor.

REPORT OF THE SUPERINTENDING SCHOOL COMMITTEE

To the Citizens of Windham:

The Superintending School Committee submit the following report:

At the close of this fiscal year we are pleased to report that our schools and buildings will compare very favorably with those of surrounding towns. This has been made possible by the generosity and wisdom of the citizens of this town in providing their School Board with sufficient funds to meet these needs.

It has been our plan for several years to give each building one exterior coat of paint every three years. This generally keeps them in very good condition, but this year we were obliged to give the Friends schoolhouse two coats. We also installed a new door and made some other repairs in this building, amounting to \$130.67.

The Newhall school building was in rather bad condition in many respects. Roofs, ceilings, walls and windows had to be repaired, and both entrances had to be partially rebuilt. The total cost of these repairs was \$165.64. This building should be resingled this coming year, also some of the gutters should be replaced, and it should receive one exterior coat of paint.

Very little was expended on the John A. Andrew school building this past year, but the coming year it will need shingling, some inside painting, and other minor repairs.

The Arlington school building should receive an exterior coat of paint.

The Ireland schoolhouse should receive an exterior coat of paint, and the lot fenced. This yard was enlarged two years ago, but was not refenced.

There were no repairs made on the Knight or Kennard buildings this year.

Repairs amounting to \$77.11 were expended on the Center school room. These repairs were mostly inside work. This school room can barely accommodate the increased number of pupils, and there is no suitable playground. If the Windham Hill building, which is in good condition, could be moved to the vacant lot opposite the High School for a reasonable amount, it might be a wise thing to do.

HIGH SCHOOL

We have painted the exterior of the High School buildings and installed storm windows on the north side of the old building which makes a perceptible difference in the temperature on this side.

A laboratory table complete with sink, running water, gas, and a new hood were installed in the Science room. The cupboards were partially finished.

A new sink with hot and cold water, and a bookcase were installed in the Home Economics room. The repairs for these two rooms amounted to \$187.91. Now our Science Department has been brought up to a comparable standard.

We have purchased about 100 seats for the Auditorium so now we shall not be obliged to borrow seats and settees at graduations and other like functions as formerly.

At the opening of the winter term we found that the back unit of the old boiler had a bad leak, and as it could not be repaired, a new unit had to be installed at an expense of \$256.91.

In accordance with the vote of the town at its last annual meeting, we purchased an additional school bus, and exchanged the chassis of the old bus for a new one.

We felt that it was poor economy to invest so much money in school busses, and having no suitable place to house and care for them, we built a garage using all usable lumber in the old horse sheds and purchasing the rest. The total cost of this building was \$348.98. All of this sum was taken from the conveyance fund.

Respectfully submitted,

FRED L. HASKELL,
LESLIE E. ALLEY,
MARION S. HODGDON,
Superintending School Committee.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Superintending School Committee and to the Citizens
of the Town of Windham, Greeting:

I have the honor to submit my eleventh annual report as Superintendent of Schools for the Town of Windham. Particular emphasis has been stressed upon transportation this year. Other than that, little change in conditions will be noted.

TEACHERS

The entire teaching staff has been continued except in two schools. At the Center School, Miss Rogers resigned to marry and at the Knight School, Miss Allen took a year's leave of absence to enable her to finish her work at Gorham Normal School. To fill the vacancy at the Center, we hired Miss Janet Kelley of Steuben, a graduate of Eastern State Normal School (two year course) and who had completed her third year at Gorham Normal School. She had had one year of teaching experience in a rural school. For the Knight School, we hired Miss Elinor Chipman of Gray, a graduate of the three-year course at Gorham, who had had no teaching experience.

Our teachers have been hard working and doing praiseworthy work. They are devoted to their work as is shown by the small number of changes.

It is becoming increasingly harder to secure teachers. Pay that we offer does not appeal to the experienced teacher

as so many towns nearby pay more and we are developing into a training system for young teachers. This is a matter that should be given considerable consideration as to whether it is good educational practice to train young teachers for other places.

CONVEYANCE

Last year, as an experiment, we purchased one large school bus out of conveyance funds and used it for carrying high school pupils and some grade school pupils. This scheme seemed to work well and we discussed purchasing another bus. This matter was presented to the town at the March meeting and the town voted to buy another bus and appropriated the sum of \$300 extra to help buy the same. This bus was purchased in May and went into regular service this September. We also traded in the old Chevrolet chassis on the other Bus and secured a new chassis for the old Bus body. There was no private garage available that would house the new bus and we felt that we should have the busses under cover, so we finished off the old horse sheds at the high school into a Bus garage and installed a gasoline pump and tank and stored other supplies. A box stove was set up and we have satisfactory housing for the busses. Our operators are hired to do most of the repair work, greasing and adjusting and this makes a comfortable place for doing this work. Last year, this work had to be done out of doors and was quite undesirable. Cost of this garage building was about \$350.00 and was paid for out of conveyance funds in the hands of the Committee. I feel certain that a decided saving will be felt in future years due to this foresighted action of the Committee.

These two busses cover the entire town in different trips and outside of private cars now operating for the Knight, Ireland, and Kennard Schools, do all the conveyance necessary. The per pupil cost of such conveyance is low and compares favorably with average costs throughout the State.

Paying for two large busses out of regular funds with no extra aid than \$300 has been possible only with rigid economy in the school appropriations and has drawn heavily in our unexpended balances designed to pay school bills in February. Another year, some of this saving will result in large unexpended balances for the February costs, provided appropriations are not reduced.

JANITOR SERVICE

It seemed wise to the Committee to have another janitor at the high school and Alvin Allen was hired at the same rate (\$500.00 per year) beginning his duties September 1, 1936. Other than the above, no change was made in Janitor service. Pay is low for service performed and we hope increases may soon be possible. Our buildings are in general in excellent shape and need more attention from the janitors than we are really paying for.

FUEL

Coal was purchased as last year from Mr. Peabody. Hard coal was secured in May at the lowest cash price and soft coal has been purchased by the carload at a substantial discount.

Bids were sent out for the school wood but little response was made. Finally, 30 cords of hard wood was purchased from George Atherton at \$8.00 per cord, delivered, sawed, and stored.

As usual, those who wish to supply the school wood should get in touch with me at the school office.

SUPPLIES AND TEXTBOOKS

No increase or decrease has been made in these two items. Library books have been purchased as far as funds would permit and we have had several books sent to the High School Library from Mr. F. H. Dole.

HIGH SCHOOL

Enrollment this fall was somewhat lower than the peak of last year but still we have a school with about 125 pupils in average attendance.

With two busses, the 30-minute study period was dropped and school begins at about 8 o'clock for everybody. This gave us an opportunity to substitute an activity period of 45 minutes for the 60 minutes waiting period. This period comes in the middle of the day and is largely Physical Education, games and club work, all of which is part of the program suggested by the State Department of Education. Regular school work of seven periods per day is still continued (although rumors to the contrary persist) and the program is little different than the usual program of former years except for these activities, which are additional.

We wish parents, friends, and citizens would visit the school and see for themselves what we are doing. We have had many kind words of appreciation and I feel that we are building American Citizens.

A school band has been organized. Other than that, music follows the same lines of former years.

The Home Economics room has been improved by a book case, another sink and minor changes.

A new laboratory table with sink, water and gas was installed in the laboratory and the hood was finished ready for use.

HEALTH WORK

The town appropriated \$150 for this work. \$100 of this amount goes to the Cumberland County Public Health Association for their services which consists of an examination of all elementary pupils by a graduate nurse.

The Teachers Association by means of card parties, plays, and donations raised about three hundred and twenty dollars for Dental Clinic work.

Every pupil in school was examined by a Dental Hygienist and had his teeth cleaned, provided signatures of parents could be obtained and many pupils had extractions and fillings also. This is a very worthy cause and the Teachers Association deserve the thanks of the town for providing and raising funds.

CUMBERLAND COUNTY PUBLIC HEALTH
ASSOCIATION REPORT OF SCHOOL
NURSING AND OTHER WORK IN
WINDHAM, Year of 1936

Total number of days—45 days service.

No. Pupils enrolled,	359
No. Pupils examined,	341
No. 10% underweight,	50
No. 20% overweight,	3
No. Defective vision,	24
No. Defective hearing,	6
No. Defective teeth,	170
No. Enlarged tonsils,	41
No. Pediculosis,	3
No. with defects,	233
No. without defects,	108
No. Notices sent to parents,	233
No. Health talks to pupils,	37
No. Corrections,	178

Follow-up work:

Home calls and taking children to clinics,	26 days
Dental Clinic,	11 days
School Work,	5 days
Clothing and toys distributed to 36 persons,	3 days

Total, 45 days

KATHERINE M. DOUGHERTY,
Nurse.

RECOMMENDATIONS AND NEEDS

It is suggested that the seventh and eighth grade pupils be transported to the High School and that we have a six-year school at Windham Center.

This would relieve the congestion at Newhall where two teachers have large classrooms and give opportunity for more individual work, also a better and more thorough training for high school pupils. The High School is our finishing school for 90% of our pupils and we should make a more practical course for them.

Vocational subjects should be stressed, practical work in manual training and shop work introduced and some commercial training offered.

A program of partial consolidation would make it possible to do this without a great deal of extra funds to be provided by the town.

Schoolhouses all over the town have been improved and something should be done at Windham Center for the Center School. The building and room now used is inadequate and unfit for school purposes. It is crowded and can't be either lighted or ventilated properly. The suggestion is made that this school be closed, another building built, or provided, or else convey the pupils to more suitable and fit quarters. Opportunity will be given the voters to vote on this question at the annual meeting.

CELEBRATION

I wish to remind you that the 200th anniversary of the town's settlement comes July 30, 1937. A fitting celebration should be provided by the town and historical spots marked. One way would be to do this with the school children and school officials and hence I am making this suggestion in the school report.

BUDGET FOR 1937-1938 — 36 WEEKS SCHOOL YEAR

	Appropriated Last Year	Recommended This Year by School Committee
1 Support of Schools,	\$ 18,800.00	\$ 18,500.00
2 Vocational Education,	1,400.00	1,600.00
3 Repairs,	2,000.00	2,200.00
4 Health Work,	150.00	150.00
5 Insurance,	1,000.00	1,000.00
Totals,	\$ 23,350.00	\$ 23,450.00
6 Special (Moving Hill School to Center):		
Basement,	\$ 579.00	
Moving and Repairs,	1,000.00	
Water and Toilets,	800.00	
	\$ 2,379.00	

Note: The Budget Committee recommend a sum of \$18,000.00 which is \$500.00 less than needed as shown below. Reduction of \$500.00 would result in changes in school service now being furnished.

ITEMS OF SCHOOL BUDGET — 1937-1938
36 WEEKS SCHOOL YEAR

Expenditures	Common Schools	High School	Total
Teachers,	\$ 8,460.00	\$ 4,092.00	\$ 12,552.00

APPROXIMATE SCHOOL COSTS (nearest dollar)

	1935		1936	
	High	Common	High	Common
Teachers,	\$ 3,630.50	\$ 7,984.50	\$ 3,796.52	\$ 7,783.33
Conveyance,	1,057.45	4,038.59	1,120.94	3,872.09
Fuel,	660.21	1,281.34	351.39	852.18
Janitors and Cleaning,	570.10	1,360.15	610.25	1,336.88
Supplies,	533.41	1,554.75	652.98	859.31
Books,	922.16	1,111.05	511.39	1,098.11
Totals,	\$ 7,363.83	\$ 17,330.38	\$ 7,043.47	\$ 15,801.90

This figure is for the entire fiscal year of the town, from the closing of the town's books last year to the closing of the books this year. These figures are not fair comparisons for the cost of schools for an exact 36-week school year as often bills are paid that belong to the past year as is the case of the book and supplies amounts that were paid this year. The increase in the total of common school conveyance this last year is explained by charging the entire cost of the school bus to this account.

APPRECIATION

In closing, I wish to thank all those who have helped in any way to maintain our standard and keep up our school efficiency this year.

Too much emphasis can not be laid upon our educating our children who will be our voters and tax payers in 1947. New education is needed to meet present day economic conditions. Attention is called to the new educational bill presented to the present legislature. Provisions of this bill are such that increased aid would be available from the state to towns and our town could carry on a better school system under this proposed plan without increased costs to the town. It would be well for everyone to study this bill and determine its worthwhile provisions for the education of Maine children.

Copies can be obtained from me and I shall be glad to help explain it.

THE AMERICAN SCHOOL

"The next time you pass a school pause a moment to think what that school means to humanity. Recall the long dark centuries when the masses were kept in ignorance—when greed and oppression ruled the world with an iron hand. From the very beginning of man's struggle for knowledge, self-respect, and the recognition of his inalienable rights, the school has been his greatest ally. We refer to the school as 'common' because it belongs to us all; it is ourselves working together in the education of our children. But it is a most uncommon institution. It is relatively new. It is democracy's greatest gift to civilization. Thruout the world, among upward struggling peoples, wherever parents share in the aspirations of their children, the American common school is being copied. Let us cherish and improve our schools."—anonymous.

Respectfully submitted,

FREDERICK H. AIKINS,

Superintendent of Schools.

REPORT OF FIRE CHIEF

The operation of the Fire Department has progressed very nicely since the new Fire Houses were placed in commission. We are now well equipped and, barring accidents, need only provide for normal replacements and an occasional addition of minor equipment.

Co-operation with Gorham at the South Windham Station gives us an additional fully equipped pumper, much to the advantage of both Towns.

The new signal line to South Windham will be installed as soon as completion of the Telephone Company's new pole line allows.

The much needed running water and toilets are now installed in both stations, much of the labor being contributed by the men.

At South Windham \$350 of the Company's funds, raised by them, has been spent for equipment (coats, boots, etc.) and in completing and furnishing assembly room on second floor. Men from Gorham and Windham both were liberal in giving time for this purpose.

At North Windham where it was necessary to "start from scratch" \$250. was raised by subscription as part payment of the \$350. for the station lot, the balance coming from Company funds. In addition funds to the approximate amount of \$560. have been raised and expended for equipment for the men and finishing and equipping their assembly room on the second floor including nice hardwood floor. The labor here was also contributed by the men.

The Boys Band sponsored by the Presumpscot Firemen's Association meets at the South Windham room and the newly organized Boy Scout troop have the use of the North Windham room.

The Fire Department is our only emergency organization and as such has care of the Inhalator which was provided thru the efforts of the local Kiwanis Club assisted by the Company at North Windham. This is available at all times thru the Department and the men at North Windham are familiar with its use.

I feel grateful to the men of both Companies for their co-operation and willingness to render a public service at any and all times in any emergency and I know the Town's people feel equally so.

Tabulation given below shows the number and nature of calls received by each Company for 1935 and 1936:

January 1 to December 31, 1935

	Total Calls	Bldgs.	Chim- ney	Grass and Brush	Auto.	Emer- gency
So. W. Co.,	35	7	14	13	1	
No. W. Co.	40	10	9	20		1

January 1 to December 31, 1936

So. W. Co.,	39	5	23	8	2	1
No. W. Co.,	26	5	12	6	1	2

Failure of home owners to keep chimneys properly cleaned accounts for about 40% of our calls.

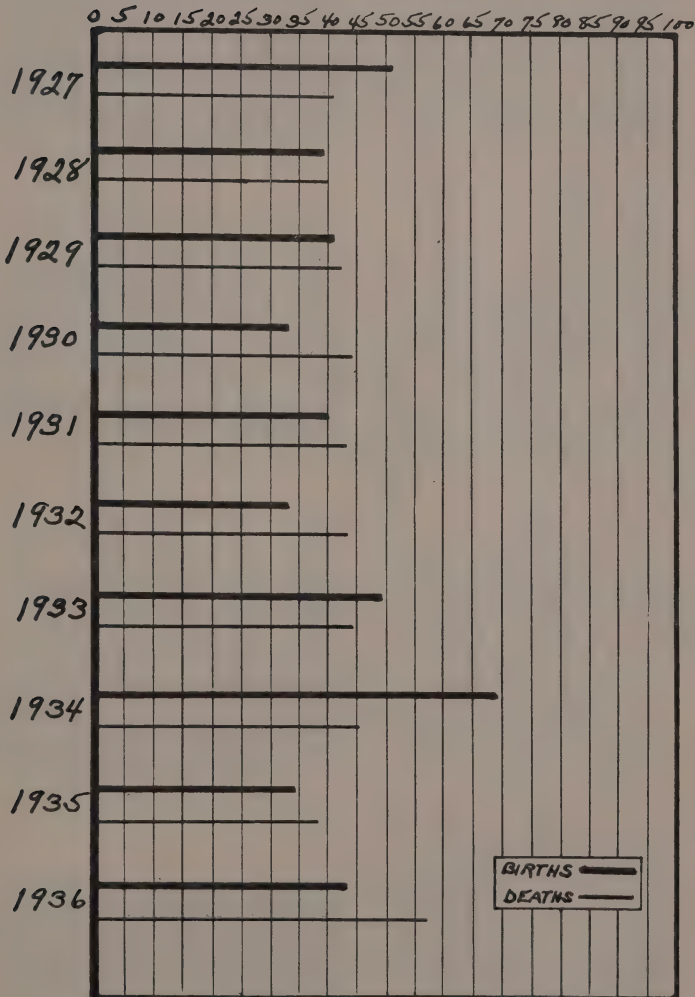

Respectfully submitted,

WM. C. HAWKES,
Chief.

Clerk of Windham, Maine.

REPORT OF HEALTH OFFICER

In 1936 there were only two cases of scarlet fever. There were a considerable number of cases of whooping cough, mumps and measles.

It would be appreciated if all contagious diseases were reported to me promptly. No charge is made to the parents for permits for their children to return to school.

Respectfully submitted,

HOWARD HAMBLIN, M.D.,

Health Officer

TOWN WARRANT

State of Maine

Cumberland, ss.

To E. Dean Pray, Constable, Town of Windham, in said
County, Greetings:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of said Town of Windham, qualified by law to vote in town affairs, to assemble at High School Hall in said Town of Windham, the first (1st) day of March A.D. 1937, at nine (9) o'clock in the forenoon to act on the following articles, to wit:

Article 1. To choose a moderator to preside at said meeting.

Art. 2. To see if the Town will vote to elect one or more road commissioners and determine a salary for same.

Art. 3. To see if the Town will vote to instruct the Selectmen to appoint one or more road commissioners and determine salary for same.

Art. 4. To see if the Town will vote to elect four members of the Budget Committee for three years.

Art. 5. To see if the Town will vote to elect the Selectmen, Assessors and Overseers of the Poor, one to serve for a period of one year, one for two years and one for three years, and one for three years annually thereafter.

Art. 6. To choose all necessary Town Officers, polls to open at nine (9) A.M. and close at one (1) P.M.

Art. 7. To see if the Town will vote to accept the report of the Town Officers.

Art. 8. To see if the Town will vote to borrow from time to time during this municipal year pursuant to chapter five, section eighty-three of the revised statutes of Maine, and of all acts additional thereto and amendatory thereof, a sum or sums of money not exceeding in the aggregate fifty thousand dollars for the purpose of paying the current expenses of the Town in any and all of its municipal departments, and to authorize the Selectmen and Treasurer to issue and negotiate the note or notes of the Town for the sums borrowed with renewals thereof if not paid when due, but all of said notes to be payable on or before February 15th, 1938, with rate of interest to be agreed upon by the selectmen and the lender or lenders of the money, and all of said notes to be paid out of taxes to be assessed and collected during this municipal year, said notes to be signed by said Town by the selectmen and the treasurer, and attested by the Town Clerk.

Art. 9. To see if the Town will vote to issue and negotiate its note or notes pursuant to Chapter five, section eighty-three, of the revised statutes of Maine, and of all acts additional thereto and amendatory thereof for the purpose of refunding or paying in whole or in part, any indebtedness thereof, which has or may hereafter become due, including money borrowed in anticipation of taxes whether overdue or not yet due, and to authorize the Selectmen and Treasurer to issue the note or notes of the Town for the sums borrowed with renewals thereof if not paid when due, with the time of maturity of said note or notes and the rate of interest thereon to be agreed upon by the Selectmen and the lender or lenders of the money, said note or notes to be signed by said Town by the Selectmen and the Treasurer and attested by the Town Clerk.

Art. 10. To see if the Town will vote to authorize its Selectmen and its Treasurer to call and pay the following

outstanding bonds on July 1st, 1937, to wit: two thousand dollars of its bonds falling due and payable January 1st, 1941 and callable on July 1st, 1937, and three thousand dollars of its bonds falling due and payable January 1st, 1942 and callable on July 1st, 1937.

Art. 11. To see if the Town will vote to issue and negotiate its notes for the following purposes, to wit: to refund three thousand dollars of its bonds falling due and payable January 1st, 1943, and callable July 1st, 1937, and two thousand dollars of its bonds falling due and payable January 1st, 1944 and callable July 1st, 1937, and two thousand dollars of its bonds falling due and payable January 1st, 1945 and callable July 1st, 1937. Said notes to be signed on and in behalf of the Town by its Selectmen and Treasurer, and attested by the Town Clerk, and to be of the denomination of five hundred or one thousand dollars each, and to bear interest at a rate agreed upon by the Selectmen and Treasurer and the lender or lenders of the money. All notes thus issued to mature on February 15th, 1939.

Art. 12. To see what sum of money the Town will vote to grant and raise for repair and upkeep of roads.

Art. 13. To see what sum of money the Town will vote to grant and raise to pay snow bills.

Art. 14. To see what sum of money the Town will vote to grant and raise for the repair of bridges and culverts.

Art. 15. To see if the Town will vote to grant and raise the sum of nineteen hundred dollars (\$1900.00) for state and state aid road maintenance, including snow removal on the state highway in accordance with the provisions of Section 9, Chapter 28, Revised Statutes of 1930 as amended by Section 9, Chapter 149, Public Laws of 1935.

Art. 16. To see if the Town will vote to grant and raise the sum of nine hundred thirty-five dollars and thirty-seven cents (\$935.37) for the maintenance of third class roads in

accordance with the provisions of Sections 44 and 46, Chapter 28, Revised Statutes of Maine, as amended by Sections 4 and 5 of Chapter 173, Public Laws of 1935.

Art. 17. To see if the Town will vote to grant and raise the sum of two thousand one hundred twenty-four dollars (\$2,124.00) more or less in accordance with provisions of Section 19, Chapter 28, Revised Statutes of 1930 as amended by Section 3, Chapter 173, Public Laws of 1935 for the improvement of the River Road as outlined in the report of the State Highway Commission.

Art. 18. To see what sum of money the Town will vote to grant and raise for cutting bushes on all State roads in accordance with the provisions of Sections 44 and 46, Chapter 173, Public Laws of 1935.

Art. 19. To see what sum of money, if any, the Town will vote to grant and raise to be used on the Nash road, work to be a continuation of the 1936 construction.

Art. 20. To see if the Town will vote to keep that section of the Pope road from the Knight Schoolhouse to the residence of Charles A. Smith open to travel at all times. By Petition.

Art. 21. To see if the Town will vote to grant and raise the sum of three hundred dollars (\$300.00) to pay the cost of applying bituminous surface treatment to that part of the Newhall Road extending from the four corners at Newhall to the Gorham Town line, a distance of four-tenths miles.

Art. 22. To see if the Town will vote to widen and repair Inkhorn Bridge so called and raise money for same.

Art. 23. To see if the Town will vote to grant and raise the sum of one hundred fifty dollars (\$150.00) to pay the cost of repairing and patching the White's Bridge road.

Art. 24. To see if the Town will vote to build a bituminous surface treated gravel road on that section of the Falmouth Road extending from route 115 near Narrows Bridge

so called to route 4 at Baker's Corner and raise money for same. By Petition.

Art. 25. To see if the Town will vote to grant and raise the sum of three hundred dollars (\$300.00) more or less to be used for applying gravel on that section of the Ward Road beginning at the four corners at Windham Hill and extending to the March Road.

Art. 26. To see if the Town will vote to grant and raise a sum of money equal to that which may be provided by the State as a special resolve fund for the improvement of the Falmouth Road. Such sum not to exceed one thousand dollars (\$1000.00).

Art. 27. To see if the Town will vote to authorize the Selectmen to install traffic signal lights at Foster's Corner and raise money for same. By Petition.

Art. 28. To see if the Town will vote to authorize the Selectmen to install traffic signal lights at the intersection of the Gray and Standish road and the Roosevelt Trail at North Windham and raise money for same. By Petition.

Art. 29. To see if the Town will vote to grant and raise the sum of three hundred dollars (\$300.00) for the expenses of a citizens' committee in a campaign to invite and arrange for the location of additional industries in the Town, said committee to serve without pay and expenditures to be made under the supervision of the board of Selectmen, said committee to be composed of John C. Nichols, George W. Freiday and Charles E. Thayer and the board of Selectmen.

Art. 30. To see if the Town will vote to authorize the Selectmen to enter into a contract for a term of years with the Portland Water District to furnish fire protection for the village of North Windham and adjacent territory, and raise money for the same.

Art. 31. To see if the Town will vote to authorize the Selectmen to enter into a contract for a term of years with

the Portland Water District to furnish fire protection for the village of Newhall and adjacent territory, and raise money for same.

Art. 32. To see if the Town will vote to recommend to the assessors of taxes at the mill property at Mallison Falls to assess on the valuation of one hundred dollars (\$100.00) for the year 1937.

Art. 33. To see what wages the Town will vote to pay men, teams and trucks for labor on roads.

Art. 34. To see what wages the Town will vote to pay tractor operators and wingmen for plowing snow.

Art. 35. To see what wages the Town will vote to pay Town Officers.

Art. 36. To see what sum of money the Town will vote to grant and raise to pay Town Officers.

Art. 37. To see what sum of money the Town will vote to grant and raise to pay on Town Debt and interest on loans.

Art. 38. To see what discount if any the Town will vote to allow on taxes paid on or before August 15th of the current municipal year.

Art. 39. To see what sum of money the Town will vote to grant and raise for the support of the Fire Department.

Art. 40. To see if the Town will vote to grant and raise the sum of fifty dollars (\$50.00) for South Windham Library, \$50.00 for North Windham Library and \$50.00 for Windham Center Library.

Art. 41. To see what sum of money the Town will vote to grant and raise for contingent expenses.

Art. 42. To see what sum of money the Town will vote to grant and raise for abatements.

Art. 43. To see what sum of money the Town will vote to grant and raise for support of poor.

Art. 44. To see if the Town will vote to authorize the Selectmen to install fifty lights more or less on route 4 between Grant's Corner so called and Glantz Bridge. By Petition.

Art. 45. To see if the Town will vote to authorize the Selectmen to install seven lights more or less on route 115 beginning at Narrows Bridge and extending easterly. By Petition.

Art. 46. To see what sum of money the Town will vote to grant and raise for street lights.

Art. 47. To see what sum of money the Town will vote to grant and raise for care of cemeteries.

Art. 48. To see if the Town will vote to install the State system of bookkeeping and secure the services of an auditor from the Department of the State Auditor, cost of same to be paid from contingent fund.

Art. 49. To see if the Town will vote to grant and raise the sum of one hundred forty-six dollars and forty cents (\$146.40) to pay interest on local school funds.

Art. 50. To see what sum of money the Town will vote to grant and raise for insurance on school buildings.

Art. 51. To see what sum of money the Town will vote to grant and raise for health work in schools.

Art. 52. To see what sum of money the Town will vote to grant and raise for support of common and high schools (fuel, janitors, cleaning, supplies, text books, high school and common school conveyances and teachers).

Art. 53. To see what sum of money the Town will vote to grant and raise for school repairs.

Art. 54. To see if the Town will vote to recommend to the School Committee that the agricultural course at the High School be dropped.

Art. 55. To see if the Town will vote to grant and raise a sum of money for a commercial course at High School, same to include cost of equipment and salary of teacher. By Petition.

Art. 56. To see if the Town will vote to sell the Windham Hill schoolhouse to the highest bidder or fix a price for same, or to act relative thereto.

Art. 57. To see if the Town will vote to move the Windham Hill schoolhouse to a site on the Hanson Lot at Windham Center, and raise money for same, or to act relative thereto.

Art. 58. To see if the Town will vote to grant and raise a sum of money to build a schoolhouse at or near Windham Center, or to act relative thereto, or to instruct the Selectmen and Treasurer to apply any funds received from the sale of the Windham Hill schoolhouse to a building fund for Windham Center.

Art. 59. To see if the Town will vote to appoint a committee to arrange for the celebration of its 200th anniversary on July 30th, 1937, and the marking of historical spots, and to raise funds for the same.

Art. 60. To see what sum of money the Town will vote to grant and raise for vocational work in high school.

Art. 61. To see if the Town will vote to authorize the Selectmen and Treasurer in behalf of the inhabitants of Windham to execute and deliver a quit claim deed without covenant to any person or persons desiring to purchase land and buildings to which the Town has or may acquire a title through the sale of such real estate for non-payment of taxes, on payment of such sum as may be agreed upon by the purchaser and Selectmen and Treasurer.

Art. 62. To see if the Town will vote to grant and raise the sum of three hundred dollars (\$300.00) to be used for white pine blister rust control, same to be expended in connection with State or Federal funds if necessary.

Art. 63. To see if the Town will vote to move the Hanson house so called from its present location to a site on the Hanson Lot so called opposite the High School Lot, construct a basement, and raise money for same.

Art. 64. To see if the Town will vote to grant and raise the sum of fifty dollars (\$50.00) to point and repair the brick walls of the Town House.

Art. 65. To see if the Town will vote to re-appoint the committee consisting of nine members appointed in 1936 to investigate and make recommendations to the assessors regarding the assessment of taxes of the Androscoggin Pulp and Paper Corp. for the purpose of investigating and making recommendations to the assessors regarding the assessment of taxes of the Androscoggin Pulp and Paper Corp., S. D. Warren Co. and Windham Realty Company for the year 1937.

Art. 66. To transact any other business that may legally come before said meeting.

The Selectmen give notice that they will be in session at their office on Saturday, February 27th, from nine (9) o'clock A.M. until four (4) o'clock P.M. for the purpose of revising and correcting the list of voters.

Given under our hands and seals this eighth day of February, 1937.

JASPER E. MAYBERRY,
LESLIE O. FOYE,
ALBERT W. JORDAN,

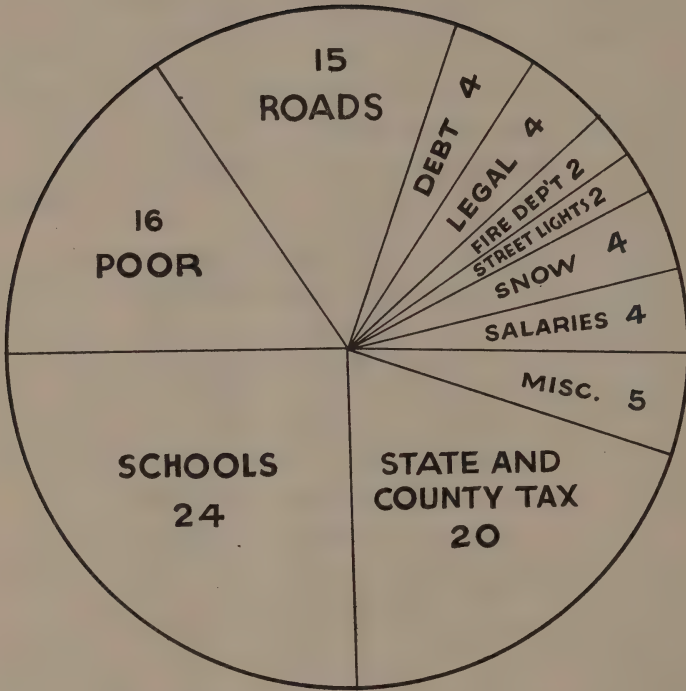

Selectmen of Windham.

A sufficient number of these reports have been printed to furnish every interested citizen with a copy. An effort has been made to get them into the hands of the voters in advance. It should be borne in mind that if copies are left at home there may not be a sufficient number at the hall to go around on town meeting day. This year or any year it is desirable for you to have a copy of the annual report as soon as issued. It is also important for you to preserve it and bring it with you town meeting day morning.
